

SHARYLAND RATTLER BAND PROGRAM

Cathi Quick, B.L. Gray Junior High Head Director
CQuick@sharylandisd.org

Dear Parents, Guardians, Friends, and Families,

We hope you are healthy and taking all precautions to keep everyone out of harm's way.

The unprecedented and abrupt closure of school has left everyone, teachers included, with more questions than we have answers. The situation is fluid and changing day by day.

As our school and district work their way through the uncertainty, please know that we will continue to communicate information, not just as it relates to our program, but as it relates to the entire school community.

We are currently giving all band students music and materials to help them progress on their instruments. The students can find videos, music, and links to keep them busy throughout this time apart.

Lastly, you have all heard us say that our program is more than a class. It's a family. And families help one another. If there is anything we can do to be of service during these difficult times, we stand ready, able, and willing.

Hang in there, everyone, and remember, playing an instrument builds confidence, coordination, and concentration! Keep your kiddos practicing!

Stay safe, and we will be in touch as more information becomes available.

Sincerely,

The Sharyland Rattler Band Staff

The Sharyland Rattler Band Staff

Mr. Marc Perea, Sharyland High School Head Director

Mrs. Cathi Quick, B. L. Gray Junior High Head Director

Mrs. Donna Cook, SHS Assistant Director, Brass
