Welcome

Official Name: Sharyland Independent School District

Founded: 1921

Our Vision: “Sharyland ISD . . . Excellence is our Tradition”

Communities Served: Sharyland, Mission, Alton, Palmhurst, Edinburg, and McAllen

Brief History: Sharyland is a large community in the Lower Rio Grande Valley situated between the cities of Mission and McAllen. Before the 19th century, the area where Sharyland now stands was sparsely populated with ranching families, most of Mexican descent. However, by the late 19th century and early 20th century “Anglo” land developers took an interest in many of the lands along the Rio Grande. One such developer was John H. Shary, a native of Nebraska who visited the Rio Grande Valley in 1912. Shary saw the potential for farming and citrus production and within a short time purchased thousands of acres of land which he named Sharyland. Sharyland attracted farmers from the North and Midwest and became known for its citrus production. Sharyland was also John Shary’s home until his death in 1945.

Sharyland Independent School District is named in honor of John H. Shary who was president of the district’s first board of trustees. Created in 1921, this twenty-six square-mile school district is located in Hidalgo County. The district is committed to providing the highest quality education possible for all students.

Public schools in Sharyland include: Jessie L. Jensen Elementary School, John H. Shary Elementary School, Lloyd and Dolly Bentsen Elementary School, Olivero Garza Sr. Elementary School, Romulo D. Martinez Elementary School, Ruben Hinojosa Elementary School, Donna Wernecke Elementary, Harry Shimotsu Elementary, BL Gray Junior High School, Sharyland North Junior High School, Sharyland Advanced Academic Academy, Sharyland High School and Sharyland Pioneer High School.

Introduction

The purpose of this handbook is to provide information that will help with questions you may have and pave the way for a successful year. Not all district policies and procedures are included, those that are, have been summarized. Suggestions for additions and improvements to this handbook are welcome and may be sent to the Office for Human Resources.

This handbook is neither a contract nor a substitute for the official district policy manual. Nor is it intended to alter the at-will status of noncontract employees in any way. Rather, it is a guide to and a brief explanation of district policies and procedures related to employment. These policies and procedures can change at any time; these changes shall supersede any handbook provisions that are not compatible with the change. For more information, employees may refer to the policy codes that are associated with handbook topics, confer with their supervisor, or call the appropriate district office. This handbook as well as district policies can be accessed online at www.sharylandisd.org under the employment tab.

Contract and Noncontract Employment

Policies DC Series

State law requires the district to employ all full-time professional employees in positions requiring a certificate from the State Board for Educator Certification (SBEC) and nurses under probationary, term, or continuing contracts. Employees in all other positions are employed at-will or by a contract that is not subject to the procedures for nonrenewal or termination under Chapter 21 of the Texas Education Code. The paragraphs that follow provide a general description of the employment arrangements used by the district.

Internal Applicants. All district employees who are interested in applying for a new or vacant position within the district, will be required to complete the online application as part of the application process. Letters of intent will no longer be accepted.

Transfers. Employees interested in a lateral transfer to another campus within our district will now be required to apply online. A district-wide online transfer form will be offered to all district employees in Spring 2021. The transfer form will have timelines for employees to submit their intentions to move laterally within the district. The last day for lateral transfer consideration for the 2021-2022 school year is June 4, 2021. Transfer requests are not guaranteed and all transfers are subject to Superintendent approval.

Probationary Contracts. Nurses and full-time professional employees new to the district and employed in positions requiring SBEC certification must receive a probationary contract during their first year of employment. Former employees who are hired after a two-year lapse in district employment or employees who move to a position requiring a new class of certification may also be employed by probationary contract. Probationary contracts are

one-year contracts. The probationary period for those who have been employed as a teacher in public education for at least five of the eight years preceding employment with the SISD school district may not exceed one school year.

For those with less experience, the probationary period will be three school years (i.e., three one-year contracts) with an optional fourth school year if the board determines it is doubtful whether a term or continuing contract should be given.

Term Contracts. Full-time professionals employed in positions requiring certification and nurses will be employed by term contracts after they have successfully completed the probationary period. The terms and conditions of employment are detailed in the contract and employment policies. All employees may receive a copy of their contract. Employment policies can be accessed online or copies will be provided upon request.

Dual Contracts. Secondary coaches, with an athletic period, will be issued a dual contract. The teaching or coaching part of the contract cannot be void without implication of the other part.

Addendums to Contracts. An addendum to an employees' probationary or term contract may be added if he/she does not hold an endorsement, supplemental certificate, or standard certificate issued by the State Board for Educator Certification (SBEC) for their current assignment. Addendums are given in special circumstances and must be approved by the Superintendent of Schools or Superintendent's designee.

Non-certified Professional and Administrative Employees. Employees in professional and administrative positions that do not require SBEC certification (such as non-instructional administrators) are employed by a one-year contract that is not subject to the provisions for nonrenewal or termination under the Texas Education Code.

Paraprofessional and Auxiliary Employees. All paraprofessional and auxiliary employees, regardless of certification, are employed at-will and not by contract. Employment is not for any specified term and may be terminated at any time by either the employee or the district.

Certification and Licenses

Policies DBA, DF

Professional employees whose position requires a SBEC certification or professional license are responsible for taking actions to ensure their credentials do not lapse. Employees must submit documentation that they have passed the required certification exam and/or obtained or renewed their credentials to the Human Resources office in a timely manner. Employees licensed by the Texas Department of Licensing and Regulations (TDLR) must notify the Human Resources office when there is action against, or revocation of, their license.

A certified employee's contract may be voided without Chapter 21 due process and employment terminated if the individual does not hold a valid certificate or fails to fulfill the requirements necessary to renew or extend a temporary certificate, emergency certificate, probationary certificate, or permit. A contract may also be voided if SBEC suspends or revokes certification because of an individual's failure to comply with criminal history background checks. Contact the Human Resources office if you have any questions regarding certification or licensure requirements.

Recertification of Employment Authorization

Policy DC

At the time of hire, all employees must complete the Employee Eligibility Verification Form (Form I-9) and present documents to verify identity and employment authorization.

Employees whose immigration status, employment authorization, or employment authorization documents have expired, must present new documents that show current employment authorization. Employees should file the necessary application or petition sufficiently in advance to ensure they maintain continuous employment authorization or valid employment authorization documents. Contact the Human Resources office if you have any questions regarding reverification of employment and authorization.

Searches and Alcohol and Drug Testing

Policies CQ, DHE

Non-investigatory searches in the workplace, including accessing an employee's desk, file cabinets, or work area to obtain information needed for usual business purposes may occur when an employee is unavailable. Therefore, employees are hereby notified that they have no legitimate expectation of privacy in those places. In addition, the district reserves the right to conduct searches when there is reasonable cause to believe a search will uncover evidence of work-related misconduct. Such an investigatory search may include drug and alcohol testing if the suspected violation relates to drug or alcohol use. The district may search the employee, the employee's personal items, work areas, including district-owned computers/technology resources, lockers, and private vehicles parked on district premises or work sites or used in district business.

Under the District's own authority, random drug and alcohol testing of employees in safety-sensitive positions shall be completed to further the Board's interest in ensuring the physical safety of students.

Testing procedures shall be minimally intensive. For purposes of such testing, safety-sensitive positions shall not be limited to, but shall include, positions in which an employee:

1. Drives a District vehicle;
2. Transports students in District vehicles; and
3. Performs manual trades or handles potentially dangerous machinery or hazardous substances in an environment that may be occupied by a large number of students.

Employees Required to Have a Commercial Driver's License. Any employee whose duties require a commercial driver's license (CDL) is subject to drug and alcohol testing. This includes all drivers who operate a motor vehicle designed to transport 16 or more people, counting the driver; drivers of large vehicles; or drivers of vehicles used in the transportation of hazardous materials. Teachers, coaches, or other employees who primarily perform duties other than driving are subject to testing requirements when their duties include driving a commercial motor vehicle.

Drug testing will be conducted before an individual assumes driving responsibilities. Alcohol and drug tests will be conducted if reasonable suspicion exists, at random, when an employee returns to duty after engaging in prohibited conduct, and as a follow-up measure. Testing may be conducted following accidents. Return-to-duty and follow-up testing will be conducted if an employee who has violated the prohibited alcohol conduct standards or tested positive for alcohol or drugs is allowed to return to duty.

All employees required to have a CDL or who is otherwise subject to alcohol and drug testing will receive a copy of the district's policy, the testing requirements, and detailed information on alcohol and drug abuse and the availability of assistance programs.

Employees with questions or concerns relating to alcohol and drug testing policies and related educational material should contact the Office for Human Resources.

Health Safety Training

Policies DBA, DMA

Certain employees who are involved in physical activities for students must maintain and submit to the district proof of current certification in first aid and cardiopulmonary resuscitation (CPR) the use of an automated external defibrillator (AED), concussion, and extracurricular athletic safety. Certification or documentation of training must be issued by the American Red Cross, the American Heart Association, or another organization that provides equivalent training and certification. Employees subject to this requirement must submit their certification to the Athletic Trainer's Office by the first week of August.

School nurses and employees with regular contact with students must complete a Texas Education Agency approved, online training regarding seizure disorder awareness, recognition, and related first aid.

Reassignments and Transfers

Policy DK

All personnel are subject to assignment and reassignment by the Superintendent or designee when the Superintendent or designee determines that the assignment or reassignment is in the best interest of the district. Reassignment is a transfer to another position, department, or facility that does not necessitate a change in the employment contract. Extracurricular or supplemental duty assignments may be reassigned at any time unless an extracurricular or supplemental duty assignment is part of a dual-assignment contract.

Employees who object to a reassignment may follow the district process for employee complaints as outlined in this handbook and district policy DGBA (LOCAL).

An employee with the required qualifications for a position may request a transfer to another campus or department. The transfer request to another campus before the school year begins must be submitted by the designated deadline established by the district. Requests for transfer during the school year will be considered only when the change will not adversely affect students and after a replacement has been found. All transfer requests will be coordinated by the Human Resources office and must be approved by the receiving and releasing supervisor.

Workload and Work Schedules

Policies DEAB, DK, DL

Professional Employees. Professional employees and academic administrators are exempt from overtime pay and are employed on a 10-, 11-, or 12-month basis, according to the work schedules set by the district. A school calendar is adopted each year designating the work schedule for teachers and all school holidays. Notice of work schedules including start and end dates and scheduled holidays will be distributed each school year.

Classroom teachers will have planning periods for instructional preparation, including conferences. The schedule of planning periods is set at the campus level but must provide at least 450 minutes within each two-week period in blocks not less than 45 minutes within the instructional day. Teachers and librarians are entitled to a duty-free lunch period of at least 30 minutes. The district may require teachers to supervise students during lunch (e.g., state testing days) or during financial hardships one day per week. §TEC 21.405

Paraprofessional and Auxiliary Employees. Support employees are employed at-will and receive notification of the required duty days, holidays, and hours of work for their position on an annual basis. Paraprofessional and auxiliary employees are not exempt from overtime and are not authorized to work in excess of their assigned schedule without prior approval from their supervisor.

Breaks for Expression of Breast Milk

Policies DEAB,DG

The District supports the practice of expressing breast milk and makes reasonable accommodations for the needs of employees who express breast milk. A place, other than a multiple user bathroom, that is shielded from view and free from intrusion from other employees and the public where the employee can express breast milk will be provided.

A reasonable amount of break time will be provided when the employee has a need to express milk. For non-exempt employees, these breaks are unpaid and are not counted as hours worked. Employees should meet with their supervisor to discuss their needs and arrange break times.

Notification to Parents Regarding Qualifications

Policies DK, DBA

In schools receiving Title I funds, the district is required by the Every Student Succeeds Act (ESSA) to notify parents at the beginning of each school year that they may request information regarding the professional qualifications of

their child's teacher. ESSA also requires that parents be notified if their child has been assigned, or taught for four or more consecutive weeks by a teacher who does not meet applicable state certification or licensure requirements.

Texas law requires that parents be notified if their child is assigned for more than 30 consecutive instructional days to a teacher who does not hold an appropriate teaching certificate. This notice is not required if parental notification under ESSA is sent. Inappropriately certified or uncertified teachers include individuals serving on emergency permit (including individuals waiting to take the certification) and individuals who do not hold any certificate or permit. Information relating to teacher certification will be made available to the public upon request. Employees who have questions about their certification status can call the Office of Human Resources.

Outside Employment and Tutoring

Policy DBD

Employees are required to disclose in writing to their immediate supervisor any outside employment that may create a potential conflict of interest with their assigned duties and responsibilities or the best interest of the district. Supervisors will consider outside employment on a case-by-case basis and determine whether it should be prohibited because of a conflict of interest.

Performance Evaluation

Policy DN series

Evaluation of an employee's job performance is a continuous process that focuses on improvement. Performance evaluation is based on an employee's assigned job duties and other job-related criteria. All employees will participate in the evaluation process with their assigned supervisor at least annually. Written evaluations will be completed on forms approved by the district. Reports, correspondence, and memoranda can also be used to document performance information. All employees will receive a copy of their written evaluation, participate in a performance conference with their supervisor, and have the opportunity to respond to the evaluation.

Teachers will be appraised using the Texas Teacher Evaluation and Support System (T-TESS) in accordance with law and administrative regulations.

Upon receiving a report, a nursing review committee may review a nurse's nursing services, qualifications, and quality of patient care, as well as the merits of a complaint concerning a nurse, and a determination or recommendation regarding a complaint. A nurse may request, orally or in writing, a determination by the committee regarding conduct requested of the nurse believed to violate the nurse's duty to patient.

Less than Annual Appraisal

In addition to meeting the eligibility requirements in state rules, to be eligible for less-than-annual evaluations under the T-TESS, a teacher shall:

1. Be employed on an educator term contract
2. Hold SBEC certification
3. Be assigned to his or her certification area
4. Have been employed with the district for two years
5. Have served at the current campus for at least one year
6. Have been supervised by the current principal for at least one year

Eligible teachers shall be appraised every other year. The teacher should have a score of 3.0 or better on the prior year's final summative report. A teacher's supervisor shall have the authority to return a teacher to the traditional appraisal cycle as a result of performance deficiencies documented in accordance with state rule.

Teachers that qualify for less than annual review will be required to:

1. Participate in a goal setting and summative meeting with their appraiser
2. Will participate in peer observations twice a year prior to March of the school year

In addition, teachers will be required to complete 2 of the activities listed below.

1. Present a campus or district professional staff development

2. Participate as a sponsor for U. I. L./ Chess/ TMSCA
3. Participate in a campus or district curriculum activity
4. Participate in a campus based community event
5. Participate in a principal approved activity

Teachers will present their documentation of having completed these activities at their summative meeting.

Upon Receiving a report, a nursing review committee may review a nurse's nursing services, qualifications, and quality of patient care, as well as the merits of complaint concerning a nurse, and a determination or recommendation regarding a complaint. A nurse may request, orally or in writing, a determination by the committee regarding conduct requested of the nurse believed to violate the nurse's duty to patient.

Employee Involvement

Policies BQA, BQB

At both the campus and district levels, Sharyland ISD offers opportunities for input in matters that affect employees and influences the instructional effectiveness of the district. As part of the district's planning and decision-making process, employees are elected to serve on district or campus level advisory committees. Plans and detailed information about the shared decision-making process are available in each campus office or from the Office of Human Resources.

Staff Development

Policy DMA

Staff development activities are organized to meet the needs of employees and the district. Staff development for instructional personnel is predominantly campus-based, related to achieving campus performance objectives, addressed in the campus improvement plan, and approved by a campus-level advisory committee. Staff development for non-instructional personnel is designed to meet specific licensing requirements (e.g., bus drivers) and continued employee skill development.

Individuals holding renewable SBEC certificates are required to maintain an active and valid certification. They are also responsible for obtaining the required training hours and maintaining appropriate documentation

Compensation and Benefits

Salaries, Wages, and Stipends

Policies DEA, DEAA

Employees are paid in accordance with administrative guidelines and an established pay structure. The district's pay plans are reviewed by the administration each year and adjusted as needed. All district positions are classified as exempt or nonexempt according to federal law. Professional employees and academic administrators are generally classified as exempt and are paid monthly salaries. They are not entitled to overtime compensation. Other employees are generally classified as nonexempt and are paid an hourly wage or salary and receive compensatory time or overtime pay for each overtime hour worked beyond 40 hours in a work week. (See *Overtime Compensation*, page 20.)

All employees have access to their compensation information through Skyward. Classroom teachers, full-time librarians, full-time nurses, and full-time counselors will be paid no less than the minimum state salary schedule. Contract employees who perform extracurricular or supplemental duties may be paid a stipend in addition to their salary according to the district's extra-duty pay schedule.

Employees should contact the Payroll Department for more information about their own pay.

Overtime Compensation

Policies DEAB, DEC

The district compensates overtime for nonexempt employees in accordance with federal wage and hour laws. Only nonexempt employees (hourly employees and paraprofessional employees) are entitled to overtime compensation. Nonexempt employees are not authorized to work beyond their normal work schedule without advance approval from their supervisor. A nonexempt employee who works overtime without prior approval will be subject to disciplinary action.

Overtime is legally defined as all hours worked in excess of 40 hours in a work week and is not measured by the day or by the employee's regular work schedule. Nonexempt employees that are paid on a salary basis are paid for a 40-hour work week and do not earn additional pay unless they work more than 40 hours. For purposes of FLSA compliance, the work week for District employees shall be 12:00 a.m. Saturday until 11:59 p.m. Friday.

Employees may be compensated for overtime (i.e., hours beyond 40 in a workweek) at time-and-a-half rate with compensatory time off (comp time) or direct pay. The following applies to all nonexempt employees:

- Employees can accumulate up to **40** hours of comp time.
- Comp time must be used in the duty year that it is earned.
- Use of comp time may be at the employee's request with supervisor approval as workload permits, or at the supervisor's direction.
- An employee is required to use comp time before using available paid leave (e.g., sick, personal, vacation).

- Weekly time records will be maintained electronically on all nonexempt employees for the purpose of wage and salary administration.
- Supervisors will monitor weekly employee hourly reports to ensure excessive overtime hours are kept at minimum.

Travel Expense Reimbursement

Policy DEE

Before any travel expenses are incurred by an employee, the employee's immediate supervisor must give prior approval. For approved travel, employees will be reimbursed for mileage and other allowable travel expenditures according to the current rate schedule established by the district. Employees must submit receipts for meals and mileage to be appropriately reimbursed upon return of travel. Employees who request mileage reimbursements must submit for reimbursements on a monthly basis.

This plan enables eligible employees to pay certain insurance premiums on a pretax basis (i.e., health, vision, cancer and dread disease, and dental). A third-party administrator handles employee claims made on these accounts.

New employees must accept or reject this benefit during their first month of employment. All employees must accept or reject this benefit on an annual basis and during the specified enrollment period.

Workers' Compensation Insurance

Policy CRE

The district, in accordance with state law, provides workers' compensation benefits to employees who suffer a work-related illness or are injured on the job. Benefits help pay for medical treatment and make up for part of the income lost while recovering. Specific benefits are prescribed by law depending on the circumstances of each case.

All work-related accidents or injuries should be reported immediately to Workers' Compensation Clerk, Campus Nurse, Campus Administration, Campus Office Personnel, or Employee Supervisor. Employees who are unable to work because of a work-related injury will be notified of their rights and responsibilities under the Texas Labor Code.

Leaves and Absences

Policy DEC, DECA, DECB

General Information

The district offers employees paid and unpaid leaves of absence in times of personal need. This handbook describes the basic types of leave available and restrictions on leaves of absence. Employees who expect to be absent for an extended period of more than five days should call the Office of Human Resources for information about applicable leave benefits, payment of insurance premiums, and requirements for communicating with the district.

Leave must be used in half workday increments. Earned comp time must be used before any available paid state and local leave. Unless an employee requests a different order, available paid and local leave will be used in the following order:

- Local leave
- State sick leave
- State personal leave

Employees must follow district and department or campus procedures to report any absences or request any leave of absence and complete the appropriate form or certification. It is the employee's responsibility: 1) report any absence to their immediate supervisor; and 2) register each absence via Time Off/Skyward if applicable. Any unapproved absences or absences beyond accumulated or available paid leave shall result in deduction from the employee's pay.

Immediate Family for purposes of leave **other than** family and medical leave, immediate family is defined as the following:

- Spouse
- Son or daughter, including a biological, adopted, or foster child, a son- or daughter-in-law, a stepchild, a legal ward, or a child for whom the employee stands *in loco parentis*.
- Parent, stepparent, parent-in-law, or other individual who stands *in loco parentis* to the employee.
- Sibling, stepsibling, and sibling-in-law
- Grandparent and grandchild
- Any person residing in the employee's household at the time of illness or death.

For purposes of family and medical leave, the definition of family is limited to spouse, parent, son or daughter, and next of kin. The definition of these are found in Policy DECA (LEGAL).

Medical Certification. Any employee who is absent more than **three consecutive workdays** because of personal or family illness must submit a medical certification from a qualified health care provider confirming the specific dates of the illness, the reason for the illness, and --- in the case of personal illness --- the employee's fitness to return to work.

The Genetic Information Nondiscrimination Act of 2008 (GINA) prohibits covered employers from requesting or requiring genetic information of an individual or family member of the individual, except as specifically allowed by this law. To comply with this law, we ask that employees and health care providers do not provide any genetic information in any medical certification. 'Genetic information,' as defined by GINA, includes an individual's family medical history, the results of an individual's or family member's genetic test, the fact that an individual or individual's family member sought or received genetic services, and genetic information of a fetus carried by an individual or individual's family member or an embryo lawfully held by an individual or family member receiving assistive reproductive services.

Continuation of Health Insurance. Employees on an approved leave of absence other than family and medical leave may continue their insurance benefits at their own expense. Health insurance benefits for employees on paid leave and leave designated under the Family and Medical Leave Act will be paid by the district as they were prior to the leave. Otherwise, the district does not pay any portion of insurance premiums for employees who are on unpaid leave.

Under TRS-Active Care rules, an employee is no longer eligible for insurance through the district after six months of unpaid leave other than FML. If an employee's unpaid leave extends for more than six months, the district will provide the employees with notice of COBRA rights.

Personal Leave

State law entitles all employees to five days of paid personal leave per year. Personal leave is available for use at the beginning of the year. A day of personal leave is equivalent to the number of hours per day in an employee's usual assignment, whether full-time or part-time. State personal leave accumulates without limit, is transferable to other Texas school districts, and generally transfers to education service centers. Personal leave may be used for two general purposes: nondiscretionary and discretionary.

Nondiscretionary. Leave taken for personal or family illness, family emergency, a death in the family, or active military service is considered nondiscretionary leave. Reasons for this type of leave allows very little, if any, advance planning. Nondiscretionary leave may be used in the same manner as state sick leave.

Discretionary. Leave taken at an employee's discretion that can be scheduled in advance is considered discretionary leave. An employee wishing to take discretionary personal leave must submit a request to his or her principal or supervisor **five days in advance** of the anticipated absence. Discretionary personal leave will be granted on a first-come, first-served basis. The effect of the employee's absence on the educational program or department operations, as well as the availability of substitutes, will be considered by the principal or supervisor. An employee's discretionary use of personal leave **shall not exceed five days** in a semester or ten days in a school year.

Discretionary use of leave shall not be allowed under the following circumstances except in extenuating circumstances as determined by the principal/immediate supervisor:

1. The day before or the day after a school holiday
2. Days scheduled for end-of-semester or end-of-year exams
3. Days scheduled for state-mandated assessments
4. Professional or staff development days

The District shall not approve paid leave for more leave days than have been accumulated in prior years plus leave currently available. Any unapproved absences or absences beyond accumulated and available paid leave shall result in deductions from the employee's pay.

Leave Proration

If an employee separates from employment with the district before his or her last duty day of the school year, or begins employment after the first duty day of the school year, state personal leave will be prorated based on the actual time employed. When an employee separates from employment before the last duty day of the school year, the employee's final paycheck will be reduced for:

1. the amount of state personal leave the employee used beyond his or her pro rata entitlement for the school year; and
2. Local leave that an employee used but had not earned as of the date of separation.

Recording Leave

Leave shall be recorded as follows:

1. Leave shall be recorded in half day increments for all employees.
2. If the employee is taking intermittent FMLA leave, leave shall be recorded in one hour increments.

Frequent or Prolonged Absences

All absences in excess of ten days shall be investigated by the immediate supervisor, who shall take appropriate action as required by district guidelines.

The supervisor shall report all absences in excess of ten days in a school year to the Superintendent or designee, who shall take whatever action is deemed necessary.

An employee working a position that requires the use of the District's automated online or telephonic absence reporting system must use the system to report all absences. Additionally, any employee who is absent three or more days must make personal phone contact with his or her immediate supervisor by the third day of absence.

Sanctions for Abuse

Policy DCD and DF Series

All employees leave shall be provided for the specific purposes stipulated in this policy. It is not intended to be used as a vacation or for mere convenience. Except for discretionary use of state personal leave, documentation at the discretion of the Superintendent or designee may be required for any absence. Abuse of the employee leave program is a violation of District policy and may result in disciplinary action up to and including loss of pay, suspension, demotion, or termination of employment, in accordance with appropriate District policies.

Neutral Absence Control

An employee's physical presence at work is an essential part of each employee's job with the District. The District recognizes that when an employee is absent, the employee may have available types and categories of leave available through the District policy, Texas law, or federal law. If an employee is absent from work after exhausting all available leave, the employee cannot perform an essential function of his or her job and may be subject to termination.

Summer Use

An employee whose normal work schedule does not extend past the regular school year shall not be eligible to use accumulated state or local leave if employed by the District as a substitute during the summer.

State Sick Leave

State sick leave accumulated before 1995 is available for use and may be transferred to other school districts in Texas.

State sick leave may be used for the following reasons only:

- Employee illness
- Illness in the employee's immediate family
- Family emergency (i.e., natural disasters or life-threatening situations)
- Death in the immediate family
- Active military service

Local Leave

All employees shall earn five workdays of paid local leave per school year in accordance with administrative regulations. Local leave is earned at a rate of one-half day for each 18 workdays.

Local leave for professional personnel shall accumulate to a maximum of 30 workdays and shall accumulate to 10 workdays for other employees. Local leave shall be used according to the terms and conditions of state sick leave accumulated before the 1995-96 school year. [See DEC (LEGAL)]

An employee shall not earn any local leave when he or she is on unpaid status. An employee using full or proportionate paid leave shall be considered to be in paid status.

Vacation

Policy DED

Each auxiliary employee in a position normally requiring 12 months of service (255 calendar days) shall be entitled to five workdays of vacation after completing one full year of service, and shall be entitled to ten workdays of vacation after five years of employment. Vacations shall not accumulate and must be taken by the end of the duty year. An employee who resigns or is terminated forfeits any unused vacation time.

Catastrophic Illness or Injury Sick Leave Bank Program.

Full time employees who are eligible for membership in the Texas Teacher Retirement System may wish to enroll in the Catastrophic Illness or Injury Sick Leave Bank by voluntarily donating three days of available local sick leave to become vested at the time of donation. The open enrollment period for current Sharyland employees shall begin July 1st of each school year and end on August 31st of that school year. The effective date will be upon the date leave is deducted from the employees local bank. New employees hired during or after the enrollment window dates have 14 business days to voluntarily join the Catastrophic Illness or Injury Sick Leave Bank Program. Contact the Office of Human Resources for more information. DEC (LOCAL).

The contribution shall be made on the Catastrophic Illness or Injury Sick Leave Bank Program form by the staff member enrolling and will remain enrolled while employed with Sharyland ISD unless the employee elects to cancel. Cancellation must be submitted in writing to the Office of Human Resources. If a member decides to cancel his or her membership in the bank, all days contributed shall become property of the bank. If, at a later date, this individual wishes to rejoin the bank, he or she may do so during the enrollment period by donating the required number of days. Membership in the Catastrophic Illness or Injury Sick Leave Bank ceases on the effective date of an employee's termination from the district.

To receive days from the bank, the requesting employee shall:

1. Be a member of the Catastrophic Illness or Injury Sick Leave Bank Program by donating three days at the time of enrollment.
2. Have exhausted all accumulated state and local sick leave; and
3. Have a catastrophic illness or injury as defined in this policy DEC (LOCAL).

The Catastrophic Illness or Injury Sick Leave Bank Program may only be used for the contributor's own personal illness or injury, not the care of a family member. Members cannot transfer eligibility to other Sharyland ISD employees not enrolled.

A Catastrophic Illness or Injury is a severe condition or combination of conditions effecting the mental or physical health of the employee (member). Such conditions typically require in-patient hospitalization or are expected to result in disability or death. Absences due to elective surgery, normal pregnancy, bonding, adoptions or foster placement of a child are not considered catastrophic illnesses for purposes of the catastrophic sick leave bank.

An eligible employee may apply for up to 50 days from the sick leave bank. Days shall be granted only for absences from workdays and shall not be granted for holidays, vacation days, or other such days for which the member is not paid. If a member has received days from the bank, returns to work, and then becomes ill again with the same or different illness, the employee may apply for additional sick leave bank days, not to exceed 50 days per school year or contract year.

To apply for days from the sick leave bank, an employee shall submit in writing their request to the Office for Human Resources. Medical certification by a healthcare provider as defined by the FMLA must be submitted with a request for sick leave bank days. Recertification of medical condition is required every twenty five business days if more days are being requested. The district reserves the right to request a second opinion to certify the need for leave by a healthcare provider designated by the district. The district will assume the cost if a second opinion is required.

If the employee is unable to request leave from the sick leave bank, a member of the employee's family or the employee's supervisor may submit the request.

Within ten working days of receipt of a member's request, the Human Resources Administrator authorized to consider requests for leave from the Catastrophic Illness or Injury Sick Leave Bank shall review the request and render a decision to the member and the payroll office.

If a member's request for Catastrophic Illness or Injury Sick Leave Bank is denied, the member may file a written appeal at Level Two in accordance with DGBA (LOCAL).

If a member uses more than 25 days from the bank during a contract or school year, the member shall be required to donate an additional two days during the following school year in order to continue membership in the bank.

If the number of days in the bank falls below two times the number of participating members on July 1st of a given year, each participant shall be required to contribute one extra day at the beginning of the school year. If the number of days falls below one day of each contributing member, the members shall be required to contribute two days.

Family and Medical Leave (FML) – General Provisions

The following text is from the federal notice, *Employee Rights and Responsibilities Under the Family and Medical Leave Act*. Specific information that the district has adopted to implement the FMLA follows this general notice.

Leave Entitlements. Eligible employees who work for a covered employer can take up to 12 weeks of unpaid, job-protected leave in a 12 month period for the following reasons:

- The birth of a child or placement of a child for adoption or foster care;
- To bond with a child (leave must be taken within 1 year of the child's birth or placement);
- To care for the employee's spouse, child, or parent who has a qualifying serious health condition;
- For the employee's own qualifying serious health condition that makes the employee unable to perform the employee's job;

An eligible employee who is a covered service member's spouse, child, parent, or next of kin may also take up to 26 weeks of FMLA leave in a single 12-month period to care for the service member with a serious injury or illness.

An employee does not need to use leave in one block. When it is medically necessary or otherwise permitted, employees may take leave intermittently or on a reduced schedule.

Military Family Medical Leave Entitlements. An eligible employee whose spouse, son, daughter or parent is on covered active duty or called to covered active duty status may use his or her 12-week leave entitlement to address certain qualifying exigencies. Qualifying exigencies may include attending certain military events, arranging for alternative childcare, addressing certain financial and legal arrangements, attending certain counseling sessions, and attending post-development reintegration briefings.

The FMLA also includes a special leave entitlement that permits eligible employees to take up to 26 weeks of leave to care for a covered service member during a single 12-month period. A covered service member is (1) a current member of the Armed Forces, including a member of the National Guard or Reserves, who is undergoing medical treatment, recuperation, or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list, for a serious injury or illness*; or (2) a veteran who was discharged or released under conditions other than dishonorable at any time during the five-year period prior to the first date the eligible employee takes FMLA leave to care for the covered veteran, and who is undergoing medical treatment, recuperation, or therapy for a serious injury or illness.*

*The FMLA definitions of "serious injury or illness" for current service member and veterans are distinct from the FMLA definition of "serious health condition."

Benefits and Protections. During FML, the employer must maintain the employee's health coverage under "group health plan" on the same terms as if the employee had continued to work. Upon return from FML, most employees must be restored to their original or equivalent positions with equivalent pay, benefits, and other employment terms. Use of FML cannot result in the loss of any employment benefit that accrued prior to the start of an employee's leave.

Eligibility Requirements. An employee who works for a covered employer must meet three criteria in order to be eligible for FMLA leave. The employee must:

- Have worked for a covered employer for at least 12 months;
- Have at least 1,250 hours of service in the 12 months before taking leave; and
- Work at a location where the employer has at least 50 employees within 75 miles of the employee's worksite.

*Special hours of service eligibility requirements apply to airline flight crew employees.

Definition of Serious Health Condition. A serious health condition is an illness, injury, impairment, or physical or mental condition that involves either an overnight stay in a medical care facility, or continuing treatment by a health care provider for a condition that either prevents the employee from performing the functions of the employee's job, or prevents the qualified family member from participating in school or other daily activities.

Subject to certain conditions, the continuing treatment requirement may be met by a period of incapacity of more than three consecutive calendar days combined with at least two visits to a health care provider or one visit and a regimen of continuing treatment, or incapacity due to pregnancy, or incapacity due to a chronic condition. Other conditions may meet the definition of continuing treatment.

Use of Leave. An employee does not need to use this leave entitlement in one block. Leave can be taken intermittently or on a reduced leave schedule when medically necessary. Employees must make reasonable efforts to schedule leave for planned medical treatments as not to unduly disrupt the employer's operations. Leave due to qualifying exigencies may also be taken on an intermittent basis.

Substitution of Paid Leave for Unpaid Leave. Employees may choose or employers may require use of accrued paid leave while taking FML. In order to use paid leave for FML, employees must comply with the employer's normal paid leave policies.

Requesting Leave. Employees must provide 30 days advance notice of the need to take FML when the need is foreseeable. When a 30 day notice is not possible, the employee must provide notice as soon as practicable and generally must comply with an employer's normal call-in procedures.

Employees must provide sufficient information for the employer to determine if the leave may qualify for FMLA protection and the anticipated timing and duration of the leave. Sufficient information may include that the employee is unable to perform job functions, the family member is unable to perform daily activities, the need for hospitalization or continuing treatment by a health care provider, or circumstances supporting the need for military family leave. Employees also must inform the employer if the requested leave is for a reason for which FML was previously taken or certified. Employees also may be required to provide a certification and periodic recertification supporting the need for leave.

Employer Responsibilities. Covered employers must inform employees requesting leave whether they are eligible under FMLA. If they are eligible, the notice must specify any additional information required as well as the employees' rights and responsibilities. If they are not eligible, the employer must provide a reason for the ineligibility.

Covered employers must inform employees if the leave will be designated as FML and the amount of leave counted against the employee's leave entitlement. If the employer determines that the leave is not FML, the employer must notify the employee.

Unlawful Acts by Employers. The FMLA makes it unlawful for any employer to:

- interfere with, restrain, or deny the exercise of any right protected under the FMLA;
- discharge or discriminate against any person for opposing any practice made unlawful by the FMLA or for involvement in any proceeding under or relating to the FMLA.

Enforcement. An employee may file a complaint with the U.S. Department of Labor or may bring a private lawsuit against an employer.

The FMLA does not affect any Federal or State law prohibiting discrimination, or supersede any State or local law or collective bargaining agreement which provides greater family or medical leave rights.

FMLA section 109 (29 U.S.C. 2619) required FMLA covered employers to post the text of this notice. Regulations 29 C.F.R. 8.25.300 (a) may require additional disclosures.

Local Procedures for Implementing Family and Medical Leave Provisions

Policy DEC (LOCAL)

Eligible employees can take up to 12 weeks of unpaid leave in the 12-month period measured backward from the date an employee uses FML.

Use of Paid Leave. FML runs concurrently with accrued sick and personal leave, temporary disability leave, compensatory time, assault leave, and absences due to a work-related illness or injury. The district will designate the leave as FML if applicable, and notify the employee that accumulated leave will run concurrently.

Combined Leave for Spouses. Spouses who are both employed by the district are limited to a combined total of 12 weeks of FML to care for a parent with a serious health condition; or for the birth, adoption, or foster placement of a child. Military caregiver leave for spouses is limited to a combined total of 26 weeks.

Intermittent Leave. When medically necessary, an employee may take leave intermittently or on a reduced schedule. The district does not permit the use of intermittent or reduced-schedule leave for a care of a newborn child or for adoption or placement of a child with the employee.

Fitness for Duty. An employee that takes FML due to the employee's own serious health condition shall provide, before resuming work, a fitness-for-duty certification from the health care provider. When leave is taken for the employee's own serious health condition, the certification must address the employee's ability to perform essential job functions. The district shall provide a list of essential job functions (e.g., job description) to the employee with the FML designation notice to share with the health care provider. Fitness for duty is not required when an employee returns to work following leave to care for a family member with a serious health condition; to care for a child following birth, adoption, or foster care placement, or for qualifying exigency leave.

Reinstatement. An employee returning to work at the end of FML will be returned to the same position held when the leave began or to an equivalent position with equivalent employment benefits, pay, and other terms and conditions of employment.

Failure to Return. If at the expiration FML, the employee is able to return to work but chooses not to do so, the district may require the employee to reimburse the district's share of insurance premiums paid during any portion of FML when the employee was on unpaid leave.

District Contact. Employees that require FML or have questions should contact the Office of Human Resources at 584-6400, for details on eligibility, requirements, and limitations.

Temporary Disability Leave

Certified Employees. Any full-time employee whose position requires certification from the State Board for Educator Certification (SBEC) is eligible for temporary disability leave. The purpose of temporary disability leave is to provide job protection to full-time educators who cannot work for an extended period of time because of a mental or physical disability of a temporary nature. Temporary disability leave must be taken as a continuous block of time. It may not be taken intermittently or on a reduced schedule. Pregnancy and conditions related to pregnancy are treated the same as any other temporary disability.

Employees must request approval for temporary disability leave. An employee's notification of need for extended absence due to the employee's own medical condition shall be accepted as a request for temporary disability leave. The request must be accompanied by a physician's statement confirming the employee's inability to work and estimating a probable date of return. If disability leave is approved, the length of leave is no longer than 180 calendar days. If an employee is placed on temporary disability leave involuntarily, he or she has the right to request a hearing before the board of trustees. The employee may protest the action and present additional evidence of fitness to work.

When an employee is ready to return to work, the Office of Human Resources should be notified at least 30 days in advance. The return-to-work notice must be accompanied by a physician's statement confirming that the employee is able to resume regular duties. Certified employees returning from leave will be reinstated to the school to which they were previously assigned if an appropriate position is available. If an appropriate position is not available, the employee may be assigned to another campus, subject to the approval of the campus principal. If a position is not available before the end of the school year, the employee will be reinstated to a position at the original campus at the beginning of the following school year.

Workers' Compensation Benefits

An employee absent from duty because of a job-related illness or injury, may be eligible for workers' compensation weekly income benefits, if the absence exceeds seven calendar days.

An employee receiving workers' compensation wage benefits for a job-related illness or injury may choose to use accumulated sick leave or any other paid leave benefits. An employee choosing to use paid leave will not receive workers' compensation weekly income benefits until all paid leave is exhausted or to the extent that paid leave does not equal the pre-illness or -injury wage. If the use of paid leave is not elected, then the employee will only receive workers' compensation wage benefits for any absence resulting from a work-related illness or injury, which may not equal his or her pre-illness or -injury wage.

An absence due to a work related injury or illness shall be designated as FMLA leave, temporary disability leave, and/or assault leave, as applicable.

Assault Leave

Assault leave provides extended job income and benefits protection to an employee who is injured as the result of a physical assault suffered during the performance of his or her job. An accident involving an assault is a work-related injury, and should be immediately reported to the workers' compensation department. An injury is treated as an assault if the person causing the injury could be prosecuted for assault or could not be prosecuted only because that person's age or mental capacity renders the person non-responsible for purposes of criminal liability.

An employee who is physically assaulted at work may take all the leave time medically necessary (up to two years) to recover from the physical injuries he or she sustained. At the request of an employee, the district will immediately assign the employee to assault leave. Days of leave granted under the assault leave provision will not be deducted from accrued personal leave and must be coordinated with workers' compensation benefits. Upon investigation the district may change the assault leave status and charge leave used against the employee's accrued paid leave. The employee's pay will be deducted if accrued paid leave is not available.

Bereavement Leave

Use of state and/or local sick leave for death in the immediate family shall not exceed ten workdays per occurrence, subject to the approval of the District.

Jury Duty

Policy DEC, DG

The district provides paid leave to employees who are summoned to jury duty including service on a grand jury. The district will not discharge, threaten to discharge, intimidate, or coerce any regular employee because of juror or grand juror service or for the employee's attendance or scheduled attendance in connection with the service in any court in the United States. Employees who report to the court for jury duty may keep any compensation the court provides. An employee should report a summons for jury duty to his or her supervisor as soon as it is received and is required to provide the district a copy of the summons to document the need for leave.

An employee may be required to report back to work as soon as they are released from jury duty. The supervisor may consider the travel time required and the nature of the individual's position when determining the need to report to work. A copy of the release from jury duty or documentation of time spent at the court will be required.

Compliance with a Subpoena

Employees will be paid while on leave to comply with a valid subpoena to appear in a civil, criminal, legislative, or administrative proceeding and will not be required to use paid leave. Employees may be required to submit documentation of their need for leave for court appearances.

Truancy Court Appearances

An employee who is a parent, guardian of a child, or a court-appointed guardian ad litem of a child who is required to miss work to attend a truancy court hearing may use personal leave or compensatory time for the absence. Employees who do not have paid leave available will be docked for any absence required because of the court appearance.

Religious Observance

The district will reasonably accommodate an employee's request for absence for a religious holiday or observance. Accommodations such as changes to work schedules or approving a day of absence will be made unless they pose an undue hardship to the district. The employee may use any accumulated personal leave for this purpose. Employees who have exhausted applicable paid leave may be granted an unpaid day of absence.

Military Leave

Paid Leave for Military Service. Any employee who is a member of the Texas National Guard, Texas State Guard, reserve component of the United States Armed Forces, or a member of a state or federally authorized Urban Search and Rescue Team is entitled to paid leave when engaged in authorized training or duty orders. Paid military leave is limited to 15 days each fiscal year. In addition, an employee is entitled to use available state personal or local sick leave during a time of active military service.

Reemployment after Military Leave. Employees who leave the district to enter into the United States uniformed services or who are ordered to active duty as a member of the military force of any state (e.g., National or State Guard) may return to employment if they are honorably discharged. Employees who wish to return to the district will be reemployed provided they can be qualified to perform the required duties. To be eligible for reemployment, employees must provide notice of their obligation or intent to perform military service, provide evidence of honorable discharge or release, and submit an application for reemployment within the period of time specified by law to the Office of Human Resources. In most cases, the length of federal military service cannot exceed five years.

Continuation of Health Insurance. Employees who perform service in the uniformed services may elect to continue their health plan coverage at their own cost for a period not to exceed 24 months. Employees should contact Insurance Specialist at 956-584-6406 for details on eligibility, requirements, and limitations.

Employee Relations and Communications

Employee Recognition and Appreciation

Continuous efforts are made throughout the year to recognize employees who make an extra effort to contribute to the success of the district. Employees are recognized at board meetings, in the district social media, and through special events and activities.

District Communications

Throughout the school year, the Public Information Office publishes newsletters, brochures, fliers, calendars, news releases, and other communication materials. These publications offer employees and the community information pertaining to school activities and achievements.

Dealing with News Media

Public Schools, as public institutions, often become items of public interest. The courts have held that the public has a right to know about the schools, particularly in the area of expenditure of public funds. The practice of the School District is to cooperate with the news media and to accommodate any fair, objective, and reasonable request for information about the schools. The following are guidelines for school district personnel to use when dealing with News Media:

- A. In the event of any district/school related incidents, the Superintendent is the designated spokesperson for the district.
- B. Upon receiving approval from the Superintendent, it is the responsibility of the School District, through the Office of Public Information, to assist qualified news media representatives to secure available information as accurately, quickly, and conveniently as possible.
- C. Prior to any discussions with the media, the Office of Public Information must be contacted.
- D. If requested and clearance is provided by the Superintendent, a school administrator is to cooperate with the news media in a way that best serves the School District and the right of the public to know.

Complaints and Grievances

Policy DGBA

In an effort to hear and resolve employee concerns or complaints in a timely manner and at the lowest administrative level possible, the board has adopted an orderly grievance process. Employees are encouraged to discuss their concerns or complaints with their supervisors, principal, or other appropriate administrator at any time.

The formal process provides all employees with an opportunity to be heard up to the highest level of management if they are dissatisfied with an administrative response. Once all administrative procedures are exhausted, employees can bring concerns or complaints to the board of trustees. For ease of reference, the district's policy concerning the process of bringing concerns and complaints is provided to all employees on the district's web page: www.sharylandisd.org. Should you have any questions regarding the complaints and grievances process please contact: Executive Director of Human Resources at 1200 N. Shary Road, Mission, Tx 78572 or call 956-584-6400.

The district's policy that includes definitions and procedures for reporting and investigating harassment of students is available on the district's website www.sharylandisd.org.

Reporting Suspected Child Abuse

Policies DG, FFG, GRA

All employees are required by state law to report any suspected child abuse or neglect, as defined by Texas Family Code 261.001, to a law enforcement agency, Child Protective Services (CPS), or appropriate state agency (e.g., state agency operating, licensing, certifying, or registering a facility) within 48 hours of the event that led to the suspicion. Alleged abuse or neglect involving a person responsible for the care, custody, or welfare of the child (including teacher) must be reported to CPS.

Employees are also required to make a report if they have cause to believe that an adult was a victim of abuse or neglect as a child and they determine in good faith that the disclosure of the information is necessary to protect the health and safety of another child, elderly person, or person with disability.

Reports to Child Protective Services can be made online at <https://www.txabusehotline.or/Login/Default.aspx> or to the Texas Abuse Hotline (800-252-5400). State law specifies that an employee may not delegate to or rely on another person or administrator to make the report.

Under state law, any person reporting or assisting in the investigation of reported child abuse or neglect is immune from liability unless the report is made in bad faith or with malicious intent. In addition, the district is prohibited from taking an adverse employment action against a certified or licensed professional who, in good faith, reports child abuse or neglect or who participates in an investigation regarding an allegation of child abuse or neglect.

An employee's failure to make the required report may result in prosecution as of a Class A misdemeanor. The offense of failure to report by a professional may be a state jail felony if it is shown the individual intended to conceal the abuse or neglect. In addition, a certified employee's failure to report may result in disciplinary procedures by

SBEC for a violation of the Texas Educators' Code of Ethics.

Employees who suspect that a student has been or may be abused or neglected should also report their concerns to the campus principal. This includes students with disabilities who are no longer minors. Employees are not required to report their concern to the principal before making a report to the appropriate agency.

Reporting the concern to the principal does not relieve the employee of the requirement to report it to the appropriate state agency. In addition, employees must cooperate with investigators of child abuse and neglect. Interference with a child abuse investigation by denying an interviewer's request to interview a student at school or requiring the presence of a parent or school administrator against the desires of the duly authorized investigator is prohibited.

Sexual Abuse and Maltreatment of Children

The district has established a plan for addressing sexual abuse and other maltreatment of children, which may be accessed at www.sharylandisd.org. As an employee, it is important for you to be aware of warning signs that could indicate a child may have been or is being sexually abused or otherwise maltreated. Sexual abuse in the Texas Family Code is defined as any sexual conduct harmful to a child's mental, emotional, or physical welfare as well as a failure to make a reasonable effort to prevent sexual conduct with a child. Maltreatment is defined as abuse or neglect. Anyone who suspects that a child has been or may be abused or neglected has a legal responsibility under state law for reporting the suspected abuse or neglect following the procedures described above in *Reporting Suspected Child Abuse*.

Employees are required to follow the procedures described above in *Reporting Suspected Child Abuse*.

Reporting Crime

Policy DG

The Texas Whistleblower Act protects district employees who make good faith reports of violations of the law by district to an appropriate law enforcement authority. The district is prohibited from suspending, terminating the employment of, or taking other adverse personnel action against, an employee who makes a report under the Act.

State law also provides employees with the right to report a crime witnessed at the school to any peace officer with authority to investigate.

Scope and Sequence

Policy DG

If a teacher determines that students need more or less time in a specific area to demonstrate proficiency in the Texas Essential Knowledge and Skills (TEKS) for that subject and grade level, the district will not penalize the teacher for not following the district's scope and sequence.

The district may take appropriate action if a teacher does not follow the district's scope and sequence based on documented evidence of a deficiency in classroom instruction. This documentation can be obtained through observation or substantiated and documented third-party information.

Technology Resources

Policy CQ

The district's technology resources, including its networks email accounts, devices connected to its networks, and all district-owned devices used on or off school property, are primarily for administrative and instructional purposes. Limited personal use is permitted if the use:

- Imposes no tangible cost to the district
- Does not unduly burden the district's technology resources
- Has no adverse effect on job performance or on a student's academic performance

Electronic mail transmissions and other use of technology resources are not confidential and can be monitored at any time to ensure appropriate use.

Employees are required to abide by the provisions of the district's acceptable use agreement and administrative procedures. Failure to do so can result in suspension of access or termination of privileges and may lead to disciplinary action. Employees with questions about computer use and data management can contact the Chief Technology Officer at 580-5200, Ext. 1066.

Personal Use of Electronic Communication

Policy DH

Electronic communication includes all forms of social media, such as text messaging, instant messaging, electronic mail (e-mail), web logs (blogs), electronic forums (chat rooms), video-sharing websites (e.g. YouTube), editorial comments posted on the Internet, and social network sites (e.g. Facebook, MySpace, Twitter, LinkedIn). Electronic communication also includes all forms of telecommunication such as landlines, cell phones, and web-based applications.

As role models for the district's students, employees are responsible for their public conduct even when they are not acting as district employees. Employees will be held to the same professional standards in their public use of electronic communication as they are for any other public conduct. If an employee's use of electronic communication interferes with the employee's ability to effectively perform his or her job duties, the employee is subject to disciplinary action, up to and including termination of employment. If an employee wishes to use a social network site or similar media for personal purposes, the employee is responsible for the content on the employee's page, including content added by the employee, the employee's friend, or members of the public who can access the employee's page, and for web links on the employee's page. The employee is also responsible for maintaining privacy settings appropriate to the content.

An employee who uses electronic communication for personal purposes shall observe the following:

- The employee may not set up or update the employee's personal social network page(s) using the district's computers, network, or equipment.
- The employee shall not use the district's logo or other copyrighted material of the district without express, written consent.
- The employee continues to be subject to applicable state and federal laws, local policies, administrative regulations, and the Code of Ethics and Standard Practices for Texas Educators, even when communicating regarding personal and private equipment, on or off campus. These restrictions include:
 - Confidentiality of student records [See Policy FL]
 - Confidentiality of health or personnel information concerning colleagues, unless disclosure serves lawful professional purposes or is required by law. [See DH (Exhibit)]
 - Confidentiality of district records, including educator evaluations and private email addresses. [See Policy GBA]
 - Copyright law [See Policy CY]
 - Prohibition against harming others by knowingly making false statements about a colleague or the school system. [See DH (Exhibit)]

See Use of Electronic Communication between Employees, Students and Parents, below, for regulations on employee communication with student through electronic media.

Sharyland ISD Bring Your Own Device (BYOD) Student, Parent, and Staff Guidelines

As new technology continues to change the world in which we live, it also provides many new and positive educational benefits for classroom instruction. To encourage this growth, and to ensure that we are truly empowering 21st Century

Learners, Sharyland ISD is launching a BYOD (Bring Your Own Device) initiative. Our network is prepared to accept and support non-district devices in an effort to allow students/staff to bring their own technology devices on campus and to use them in the classroom to enhance the learning process. The decision to allow students to bring their own technology devices onto campus rests with the campus Principal, and whether students will be allowed to use their own devices in the classroom (including when and how) will be determined by each classroom teacher.

Definition of “Device”

For purposes of Bring Your Own Device (BYOD), “device” means a privately owned wireless and/or portable electronic hand held device that includes, but is not limited to, laptop and mobile computers, phones, existing and emerging mobile communication systems and smart technologies (Blackberry, iPhone, etc.), portable Internet devices (iPod touch, iPad, tablet PC, etc.), Personal Digital Assistants (PDAs), handheld entertainment systems or portable information technology systems that can be used for: word processing, wireless Internet access, image capture/recording, sound recording and information transmitting/receiving/storing, etc.

Internet Access

Sharyland ISD will provide wireless connectivity and access to the Internet for all BYOD devices through the SISD-BYOD network and all network use is subject to monitoring. This is the only Internet connection we are allowing for BYOD devices. Connecting to the Internet using a hard-wired network connection, MiFi devices, all cellular data connectivity, not limited to 3G/4G/LTE, as well as personal hotspot sharing is strictly prohibited.” Again hard wired connections (plugging a mobile device directly to the SISD network via an Ethernet cable) are not allowed.

Terms of BYOD Internet Use

Sharyland ISD is providing wireless connectivity as a convenience for anyone wishing to participate in the BYOD initiative and offers no guarantees that any use of the wireless connection is in any way secure, or that any privacy can be protected when using this wireless connection. Use of the wireless network is entirely at the risk of the user, and Sharyland ISD is not responsible for any loss of any information that may arise from the use of the wireless connection, or for any loss, injury or damages resulting from the use of the wireless connection. All users of the Sharyland ISD network are bound by the district’s Responsible/Acceptable Use Guidelines for Technology.

Security and Damages Responsibility

The Sharyland ISD, its staff, and its employees are not liable for any device including its accessories being lost, stolen or damaged while on campus. Students/Staff are responsible for keeping track of their devices at all times. Students are to bring devices fully charged. It is recommended that skins (decals), engravings, or other custom markings are used to physically identify your personal device from others. Additionally, protective cases for technology are encouraged.

BYOD is a Privilege, not a Right

The use of technology to access educational material is not a necessity or a right but a privilege. A student does not have a right to use his or her laptop, cell phone or other electronic device while at school. When abused, privileges will be taken away. When respected, they will benefit from the learning environment as a whole. Students and parents/guardians participating in BYOD must adhere to the Student Code of Conduct, as well as all Board policies, particularly Technology Resources (Policy CQ).

Additionally:

- The technology is allowed for educational purposes and only to enhance the classroom experience.
- Use and posting Facebook or other public media is prohibited during classroom/school hours.
- Teachers will decide when it may be used and for what purpose(s). The technology may only be used to access files on computer or Internet sites which are relevant to the classroom curriculum.
- Connecting devices to physical district technology property is prohibited. Items include but are not limited to printers, data projectors, speakers, hard wired network, etc.
- When authorized for use by the classroom teacher, devices will remain visible.
- **Students/Staff take full responsibility for their personal electronic/digital devices. The school/district is not responsible for the security of the electronic devices.** Additionally, students/staff are responsible for

management, trouble shooting, and technical support of their personal devices. The school/district is not responsible for technical support of or repairs to personal devices.

- The technology may not be used to cheat on assignments or tests. The technology may not be used for non-instructional purposes (such as making personal phone calls and text/instant messaging) unless authorized by the teacher or administration.
- The district is not liable for any charges associated to texting, voice, data, roaming, and international charges due to the close proximity of our U.S. border.
- The technology may not be used to record, transmit or post photographic images or video of a person, or persons on campus during school activities and/or hours without with the written consent the participant(s) being filmed/photographed and authorization from the teacher or administration.
- The technology must be in silent mode while on school campuses and while riding school buses or school vehicles.
- All Internet access will be filtered and no attempt shall be made to bypass the filter using any technology available (proxy servers, remote desktop sharing, etc.).
- Students/Staff bringing technology to campus must verify that their anti-virus software exists and is up to date. Knowingly bringing on premises or infecting the network with a virus, Trojan, or program designed to damage, alter, destroy, or provide access to unauthorized data or information may result in disciplinary action that could include suspension of BYOD privileges.
- Hacking, altering, or bypassing network security and sharing IDs/passwords are examples of inappropriate behavior and may result in disciplinary action that could include suspension of BYOD privileges.
- The school/district has the right to collect and examine any device that is suspected of causing network problems or is believed to be the source of a malicious attack or virus infection.

Personal technology is to be charged prior to bringing it to school and runs off its own battery while at school. Students will not always have access to power sources. Neither Sharyland ISD nor the school is responsible for devices that are left unattended and charging anywhere on campus.

Student/Staff abuse or misuse of school or personal technology will result in on one or more of the following penalties and will be assessed at the discretion of the school administration:

- Suspension or revocation of computing and other technological privileges
- Disciplinary action assigned by the administration, including a hearing with the student's parents
- Full restitution by the student to Sharyland ISD for resources consumed
- Other legal action including action to recover damages
- Referral to law enforcement agencies

Use of Electronic Communication between Employees, Students, and Parents

Limiting Electronic Communications with Students by District Employees

Policy DH

Teachers and other approved employees are permitted by the district to communicate with students through the use of electronic media within the scope of the individual's professional responsibilities. For example, a teacher may set up a social networking page for his or her class that has information related to class work, homework, and tests. As a parent, you are welcome to join or become a member of such a page. The employee must comply with the provisions outlined below. All other employees are prohibited from communicating with students who are enrolled in the district through electronic media.

However, instant or text messages sent to an individual student are only allowed if a district employee with responsibility for an extracurricular activity needs to communicate with a student participating the extracurricular activity. The employee is required to include his or her immediate supervisor and the student's parent as recipients on all text messages. An employee may set up class or professional pages such: WhatsApp or Remind 101 to communicate with groups of students. It is strongly encouraged for the employee to include a supervisor and or parent in the mass communication.

An employee is not subject to the provisions to the extent the employee has a social or family relationship with a student. For example, an employee may have a relationship with a niece or nephew, a student who is the child of an adult friend, a student who is a friend of the employee's child, or a member or participant in the same civic, social,

recreational, or religious organization. An employee who claims an exception based on a social relationship shall provide written consent from the student's parent or a sponsorship disclosure if the relationship exists due to a non-school related extra-curricular activity. Notwithstanding any of the foregoing, if the student is related within the third degree of consanguinity, as that term is defined in DBE(EXHIBIT) no consent or letter is required.

The written consent shall include an acknowledgement by the parent that:

- The employee has provided the parent with a copy of this protocol
- The employee and the student have a social relationship outside of school;
- The parent/guardian understands that the employee's communications with the student are excepted from district regulation; and
- The parent/guardian is solely responsible for monitoring electronic communications between the employee and the student.
- This document must remain on file with the employee's evaluating supervisor. If it is for a relative or family friend who for a social relationship that is not via an extracurricular program, this letter shall be relevant and applicable for exception purposes until revoked by the parent/guardian.

The sponsorship disclosure shall not require an acknowledgement from the parent; however, it should state the following and it should be a sworn statement acknowledged in front of a notary:

- The employee has a social relationship with a student/s outside of school (ensure you include a complete list of all District students)
- The name of the social activity, the length of time the social activity will require electronic communication with the student
- The employee has provided the parent with a copy of this protocol
- The employee has explained to any/all District parent/guardian that the employee's communications with the student are excepted from district regulation
- The employee has explained to the parent/guardian that the parent is solely responsible for monitoring electronic communications between the employee and the student; and
- This document must remain on file with the employee's evaluating supervisor. This letter shall be relevant and applicable for the school year in which it was filed. A new sponsorship letter must be submitted each academic year for each extracurricular program that the employee hosts outside of school.

The following definitions apply for the use of electronic media with students:

- *Electronic media* includes all forms of social media, such as text messaging, instant messaging, electronic mail (email), Web logs (blogs), wikis, electronic forums (chat rooms), video-sharing websites (e.g., YouTube), editorial comments posted on the Internet, and social network sites (e.g., Facebook, Twitter, LinkedIn, Instagram). *Electronic media* also includes all forms of telecommunication such as landlines, cell phones, and web-based applications.
- *Communicate* means to convey information and includes a one-way communication as well as a dialogue between two or more people. A public communication by an employee that is not targeted at students (e.g., a posting on the employee's personal social network page or a blog) is not a *communication*: however, the employee may be subject to district regulations on personal electronic communications. See *Personal Use of Electronic Media*, above. Unsolicited contact from a student through electronic means is not a *communication*.
- *Certified or licensed employee* means a person employed in a position requiring SBEC certification or a professional license, and whose job duties may require the employee to communicate electronically with students. The term includes classroom teachers, counselors, principals, librarians, paraprofessionals, nurses, educational diagnosticians, licensed therapists, and athletic trainers.

An employee who uses electronic media to communicate with students shall observe the following:

- The employee may use any form of electronic media **except** any type of instant messaging or text messaging. Only a teacher, trainer, or other employee who has an extracurricular duty may use instant messaging or text messaging, and then only to communicate with students who participate in the teacher's classroom or in an

extracurricular activity over which the employee has responsibility. An employee who communicates with a student using text messaging shall comply with the following protocol:

- The employee shall include at least one of the student's parents or guardians as a recipient on each text message to the student so that the student and parent receive the same message;
- The employee shall include his or her immediate supervisor or the supervisor's designee as a recipient on each text message to the student so that the student and supervisor receive the same message;
- For each text message addressed to one or more students, the employee shall send a copy of the text message to the employee's district e-mail address; or
- The employee is using an application similar to Remind 101 wherein the application is created for the purpose of mass instant or text messaging of information to relevant groups (classroom students or extracurricular students) and is disabled for two-way communication. Notwithstanding the foregoing, it is still strongly advised that you include a supervisor or the supervisor's designee or a parent in the mass communication
- The employee shall limit all communications to matters within the scope of the employee's professional responsibilities (e.g., for classroom teachers, matters relating to class work, homework, and tests; for an employee with an extracurricular duty, matters relating to the extracurricular activity).

Instant messaging or text messaging shall be allowed outside of the restricted hours when an extracurricular activity is still ongoing at the time of the instant message or text message or if an overnight extracurricular activity requires the text. All texts sent outside of the restricted hours **shall** include a supervisor or the supervisor's designee or at least one parent of the students who are being texted.
- The employee does not have a right to privacy with respect to communications with students and parents.
- The employee continues to be subject to applicable state and federal laws, local policies, administrative regulations, and the Texas Educators' Code of Ethics including:

- Upon written request from a parent or student, the employee shall discontinue communicating with the student through e-mail, text messaging, instant messaging, or any other form of one-to-one communication.

Visitors in the Workplace

Policy GKC

All visitors including all district employees are expected to enter any district facility through the main entrance and sign in or report to the building's main office. Authorized visitors will receive directions or be escorted to their destination. Employees who observe an unauthorized individual on the district premises should immediately direct him or her to the building office or contact the administrator in charge.

Pest Control Treatment

Policies DI, CLB

School Pest Management Policy Statement

Structural and landscape pests can pose significant problems to people, property, and the environment. Pesticides can also pose risks to people, property, and environment. It is therefore the policy of Sharyland ISD to incorporate Integrated Pest Management (IPM) procedures for control of structural and landscape pests.

Pests

Pests are populations of living organisms (animals, plants, or microorganisms) that interfere with use of the school site for human purposes. Strategies for managing pest populations will be influenced by the pest species and whether that species poses a threat to people, property, or the environment.

Pest Management

Approved pest management plans should be developed for the site and should include any proposed pest management measures.

Pests will be managed to:

Reduce any potential human health hazard or to protect against a significant threat to public safety. Prevent loss of or damage to school structures or property. Prevent pests from spreading into the community, or to

plant and animal populations beyond the site. Enhance the quality of life for students, staff, and others.

Integrated Pest Management Procedures

IPM procedures will determine when to control pests and whether to use mechanical, physical, chemical, cultural, or biological means. IPM practitioners depend on current, comprehensive information on the pest and its environment and the best available pest control methods. Applying IPM principles prevents unacceptable levels of pest activity and damage by the most economical means and with the least possible hazard to people, property, and the environment. The choice of using a pesticide will be based on a review of all other available options and a determination that these options are not acceptable or are not feasible. Cost or staffing considerations alone will not be adequate justification for use of chemical control agents, and selected non-chemical pest management methods will be implemented whenever possible to provide the desired control. It is the policy of Sharyland ISD to utilize IPM principles to manage pest populations adequately. The full range of alternatives, including no action, will be considered. When it is determined that a pesticide must be used in order to meet important management goals, the least hazardous* material will be chosen. The application of pesticides is subject to the Federal Insecticide, Fungicide and Rodenticide Act (7 United States Code 136 et seq.), Sharyland ISD policies and procedures, Environmental Protection Agency regulations in 40 Code of Federal Regulations, Occupational Safety and Health Administrations regulations, and state and local regulations.

Education

Staff, students, pest managers, and the public will be educated about potential school pest problems and the IPM policies and procedures to be used to achieve the desired pest management objectives.

Record Keeping

Records of pesticide use shall be maintained on site to meet the requirements of the state regulatory agency and School Board. Records must be current and accurate if IPM is to work. In addition, pest surveillance data sheets that record the number of pests or other indicators of pest populations are to be maintained to verify the need for treatments.

Notification

Sharyland ISD takes the responsibility to notify the school staff and students of upcoming pesticide treatments. Notices will be posted in designated areas at school and sent home to parents who wish to be informed in advance of pesticide applications.

Pesticide Storage and Purchase

Pesticide purchases will be limited to the amount authorized for use during the year. Pesticides will be stored and disposed of in accordance with the EPA-registered label directions and state regulations. Pesticide must be stored in an appropriate, secure site not accessible to students or unauthorized personnel.

Pesticide Applicators

Pesticide applicators must be educated and trained in the principles and practices of IPM and the use of pesticides approved by this Sharyland ISD and they must follow regulations and label precautions. Applicators should be certified and comply with this Sharyland ISD IPM policy and Pest Management Plan.

*Precautionary statements are required on all pesticide labels. Signal words indicate the level of acute toxicity, the hazard to humans posed by the pesticide product. Every label bears the child hazard warning: Keep Out of Reach of Children.

The structural pest control industry is regulated by the Texas Department of Agriculture (TDA), Structural Pest Control Service (SPCS), PO Box 12847, Austin, TX 78711-2847. TDA licenses the businesses, certified applicators and technicians who perform structural pest control work.

For information concerning structural pest control laws, contact the Structural Pest Control Service at: (512) 305-8250 or 866-918-4481.

Superintendent Reporting Requirements Under the New Disciplinary Proceedings for Educators (Texas Education Code §21.006 and 19 TAC Chapter 249, § 249.14)

1. What kinds of information must superintendents report to the SBEC under the disciplinary rules for educators?

Superintendents must report two general categories of information:

- the reported criminal history of an applicant for or holder of a certificate or permit issued by SBEC and
- educator misconduct that results in termination or resignation.

2. What is a "reported criminal history"?

A reported criminal history includes information about an arrest, indictment, prosecution, conviction, or other disposition by the criminal justice system. Probation and deferred adjudication, for instance, are part of an individual's reported criminal history.

3. What types of misconduct that have not resulted in a reported criminal history must be reported to SBEC?

The superintendent **must** provide information to SBEC if any of the following misconduct forms the basis for the termination or resignation of a certified educator:

- abused or otherwise committed an unlawful act with a student or minor;
- possession, transfer, sale, or distribution of a controlled substance;
- illegal transfer, appropriation, or expenditure of property or funds of the school district, service center or shared services arrangement;
- seeking or obtaining a certificate or permit by fraud or without authorization, if the credential would enable the individual to fill an assignment requiring the credential or to receive additional pay related to the assignment; or
- commission of a crime on school property or at a school-sponsored event.

4. What is the deadline for reporting the information to SBEC?

Not later than seven calendar days after the superintendent first becomes aware of a reported criminal history or a termination or resignation based on an act of misconduct listed above. A settlement with a departing employee does not alter the superintendent's responsibility to report the information to SBEC.

5. What are the consequences for failing to report this information?

The Board may sanction the certificate of a superintendent who fails to report the required information within seven calendar days. Possible sanctions include reprimand, suspension, or revocation of the superintendent's certificate.

6. Where should the report be sent? What information should be included?

The report should be mailed (Capitol Station, P.O. Box 12728, Austin, TX 78711-2728) or faxed (512/936-8247) to the executive director, and must include the following information:

- summary of the factual circumstances underlying the report;
- name of the individual reported and any aliases;
- reported individual's certificate number, if any, or social security number; and
- reported individual's last known mailing address and home and daytime phone numbers.

**Educator Excellence
Innovation Program**

The Educator Excellence Innovation Program (EEIP) is a grant program under which a district may receive a competitive grant for the purposes of systematically transforming educator quality and effectiveness. The Texas Education Agency (TEA) will give priority to districts that receive Title I funding and have at a majority of district campuses a student enrollment that is at least 50 percent educationally disadvantaged.

Eligibility

A district is eligible to apply for EEIP grant funds if the district:

1. Completes and submits a Notice of Intent to Apply to TEA by the date established by the commissioner of education;
2. Complies with all assurances in the Notice of Intent to Apply and grant application;
3. Participates in the required technical assistance activities established by the commissioner, including establishing leadership teams, master teachers, mentor teachers, and instructional coaches and developing career pathways;
4. Agrees to participate for four years; and
5. Complies with any other activities set forth in the program requirements.

An eligible district must submit an application in a form prescribed by the commissioner. Each eligible applicant must meet all deadlines, requirements, and assurances specified in the application. The commissioner may waive any eligibility requirements as specified in 19 Administrative Code 102.1073.

Local Plan

An eligible district that intends to participate in the EEIP shall submit a local educator excellence innovation plan to TEA. A local educator excellence innovation plan must address the elements at 19 Administrative Code 102.1073(e)(2).

A district must act pursuant to its local board policy [see DEAA (LOCAL)] for submitting a local educator excellence innovation plan and grant application to TEA. A local decision to approve and

submit a plan and grant application may not be appealed to the commissioner.

A district may renew its local educator excellence innovation plan for three consecutive school years without resubmitting a full grant application to TEA. With TEA approval, a district may amend its local plan in accordance with 19 Administrative Code 102.1073(c) and (h) for each school year the district receives a program grant.

Use of Grant Funds

A district may use grant funds only to carry out purposes of the program as described at Education Code 21.7011, in accordance with the district's local plan, which may include the following specific methods or procedures:

1. Implementation and administration of a high-quality mentoring program for teachers in the first three years of classroom teaching using mentors who meet the qualifications prescribed by Education Code 21.458 [see Mentor Teachers, below];
2. Implementation of a teacher evaluation system using multiple measures that include:

Waiver Request

A district may apply to the commissioner in writing for a waiver to exempt the district or one or more district campuses from one or more of the statutory sections listed at Education Code 21.7061(a).

The application for the waiver must demonstrate:

1. Why waiving the identified section of the Education Code is necessary to carry out the purposes of the program;

2. Approval for the waiver by a vote of a majority of the members of the board;
3. Approval for the waiver by a vote of a majority of the educators employed at each campus for which the waiver is sought; and
4. Evidence that the voting occurred during the school year and in a manner that ensured that all educators entitled to vote had a reasonable opportunity to participate in the voting.

Neither the board nor the superintendent may compel a waiver of rights under Education Code 21.7061.

Not later than April 1 of the year in which the waiver application is submitted, the commissioner shall notify the district in writing whether the application has been granted or denied. A waiver expires when the waiver is no longer necessary to carry out the purposes of the program, in accordance with the district's local educator excellence innovation plan.

Rules

The commissioner's rules specify the requirements for districts to implement mentor training programs, including program requirements, application approval process, ongoing verification and compliance, allowable expenditures, and program review. *19 TAC 153.1011*

Assignment of Mentor

To be assigned as a mentor, a teacher must agree to serve as a mentor teacher for at least one school year. The assignment must begin not later than the 30th day of employment of the classroom teacher to whom the mentor teacher is assigned. A district must agree to assign a mentor to a new classroom teacher for at least two school years. *Education Code 21.458(a-1)*

Requirements for Mentor

The commissioner's rules must require that a mentor teacher:

1. Complete a research-based mentor and induction training program approved by the commissioner;
2. Complete a training program provided by the district;

4. Demonstrate interpersonal skills, instructional effectiveness, and leadership skills.

Education Code 21.458(b)

Training

A district must provide training to mentor teachers and any appropriate district and campus employees who work with the classroom teacher or supervise the classroom teacher. The training must be completed by the mentor teacher and the district and campus employees before the beginning of the school year. A district shall also provide supplemental training to mentor teachers and employees during the school year. The training must include content related to best mentorship practices. *Education Code 21.458(b-1)*

Mentoring Sessions

A mentor teacher must meet with each classroom teacher assigned to the mentor not less than 12 hours each semester. Observations of the mentor by the classroom teacher being mentored or of the classroom teacher being mentored by the mentor may count toward the 12 hours of meeting time required for the semester.

Unless the district has created a mentoring curriculum as provided below, the mentoring sessions must address the following topics:

1. Orientation to the context, policies, and practices of the school district;
2. Data-driven instructional practices;
3. Specific instructional coaching cycles, including coaching regarding conferences between parents and the classroom teacher;
4. Professional development; and
5. Professional expectations.

Subject to approval by TEA, in determining the topics to be addressed in the mentoring sessions, a school district may create an appropriate curriculum that meets the district needs.

A district must:

1. Designate a specific time during the regularly contracted school day for meetings between mentor teachers and classroom teachers assigned to a mentor; and
2. Schedule release time or a reduced teaching load for mentor teachers and classroom teachers under this section to facilitate mentoring activities, including classroom observations or participation in supportive coaching.

Education Code 21.458(f), (f-1)

Allotment

A school district that has implemented a mentoring program is entitled to an allotment to fund the mentoring program and provide stipends for mentor teachers under a formula adopted by the commissioner.

Funding may be used only for providing:

1. Mentor teacher stipends;
2. Scheduled release time for mentor teachers and the classroom teachers to whom they are assigned for meeting and engaging in mentoring activities; and
3. Mentoring support through providers of mentor training.

A stipend received by a school counselor or teacher who attends a postsecondary education and career counseling academy under Education Code 33.009 is not considered in determining whether a district is paying the school counselor or teacher the minimum monthly salary under Education Code 21.402. *Education Code 33.009(h)*

Autism Training

A district may provide a salary incentive or similar compensation to a teacher who completes training provided by a regional education service center (ESC) relating to autism. A school district that decides to provide an incentive or compensation shall adopt a policy to implement this section. *Education Code 21.465*

A district may not offer or provide a financial or other incentive to an employee to encourage the employee to retire from the Teacher Retirement System of Texas. *Education Code 22.007*

A district shall not deny an educator a salary bonus or similar compensation given in whole or in part on the basis of educator attendance because of the educator's absence from school for observance of a religious holy day observed by a religion whose places of worship are exempt from property taxation under Tax Code 11.20. *Education Code 21.406*

Fair Labor Standards Act	Unless an exemption applies, a district shall pay each of its employees not less than minimum wage for all hours worked. 29 U.S.C. 206(a)(1)
Minimum Wage and Overtime	Unless an exemption applies, a district shall pay an employee not less than one and one-half times the employee's regular rate of pay for all hours worked in excess of 40 in any workweek. 29 U.S.C. 207(a)(1); 29 C.F.R. pt. 778
Breaks for Nonexempt Employees	Rest periods of up to 20 minutes must be counted as hours worked. Coffee breaks or time for snacks are rest periods, not meal periods. 29 C.F.R. 785.18 Bona fide meal periods of 30 minutes or more are not counted as hours worked if the employee is completely relieved from duty. The employee is not relieved from duty if the employee is required to perform any duties, whether active or inactive, while eating. For example, an office employee who is required to eat at his or her desk is working while eating. It is not necessary that an employee be permitted to leave the premises if the employee is otherwise completely freed from duties during the meal period. 29 C.F.R. 785.19
Compensatory Time <i>Accrual</i>	Nonexempt employees may receive, in lieu of overtime compensation, compensatory time off at a rate of not less than one and one-half hours for each hour of overtime work, pursuant to an agreement or understanding arrived at between the employer and employee before the performance of the work. Such agreement or understanding may be informal, such as when an employee works overtime knowing that the employer rewards overtime with compensatory time. An employee may accrue not more than 240 hours of compensatory time. If the employee's overtime work included a public safety activity, an emergency response activity, or a seasonal activity, the employee may accrue not more than 480 hours of compensatory time. After the employee has reached these limits, the employee shall be paid overtime compensation for additional overtime work.
<i>Payment for Accrued Time</i>	Compensation paid to an employee for accrued compensatory time shall be paid at the regular rate earned by the employee at the time of payment. An employee who has accrued compensatory time off shall be paid for any unused compensatory time upon separation from employment at the rates set forth at 29 U.S.C. 207(o)(4).
<i>Use</i>	An employee who has requested the use of compensatory time shall be permitted to use such time within a reasonable period after making the request if the use of the compensatory time does not unduly disrupt the operations of the district.

The Fair Labor Standards Act (FLSA) does not prohibit a district from compelling the use of accrued compensatory time.

29 U.S.C. 207(o); Christensen v. Harris County, 529 U.S. 576 (2000); Houston Police Officers' Union v. City of Houston, 330 F.3d 298 (5th Cir. 2003)

Exempt Employees

The minimum wage and overtime provisions do not apply to any employee employed in a bona fide executive, administrative, or professional capacity. *29 U.S.C. 213(a)(1)*

*Academic
Administrators*

The term "employee employed in a bona fide administrative capacity" includes an employee:

1. Compensated for services on a salary or fee basis at a rate of not less than \$455 per week exclusive of board, lodging, or other facilities, or on a salary basis that is at least equal to the entrance salary for teachers in the district by which employed; and
2. Whose primary duty is performing administrative functions directly related to academic instruction or training in a district or department or subdivision thereof.

"Performing administrative functions directly related to academic instruction or training" means work related to the academic operations and functions in a school rather than to administration along the lines of general business operations. Such academic administrative functions include operations directly in the field of education. Jobs relating to areas outside the educational field are not within the definition of academic administration.

Employees engaged in academic administrative functions include:

1. The superintendent or other head of an elementary or secondary school system, and any assistants, responsible for administration of such matters as curriculum, quality and methods of instructing, measuring and testing the learning potential and achievement of students, establishing and maintaining academic and grading standards, and other aspects of the teaching program;
2. The principal and any vice principals responsible for the operation of an elementary or secondary school;
3. Academic counselors who perform work such as administering school testing programs, assisting students with academic problems and advising students concerning degree requirements; and
4. Other employees with similar responsibilities.

Jobs relating to building management and maintenance, jobs relating to the health of the students, and academic staff such as social workers, psychologists, lunchroom managers, or dietitians do not perform academic administrative functions, although such employees may qualify for another exemption.

29 C.F.R. 541.204

Salary Basis

To qualify as an exempt executive, administrative, or professional employee, the employee must be compensated on a salary basis, unless the employee is a teacher. Subject to the exceptions listed in the rule, an employee must receive the full salary for any week in which the employee performs any work, without regard to the number of days or hours worked. A district that makes improper deductions from salary shall lose the exemption if the facts demonstrate that the district did not intend to pay exempt employees on a salary basis. *29 C.F.R. 541.600, .602(a), .603*

*Partial-Day
Deductions*

A district employee who otherwise meets the salary basis requirements shall not be disqualified from exemption on the basis that the employee is paid according to a pay system established by statute, ordinance, or regulation, or by a policy or practice established pursuant to principles of public accountability, under which the employee accrues personal leave and sick leave and which requires the employee's pay to be reduced or the employee to be placed on leave without pay for absences for personal reasons or because of illness or injury of less than one workday when accrued leave is not used by an employee because:

1. Permission for its use has not been sought or has been sought and denied;
2. Accrued leave has been exhausted; or
3. The employee chooses to use leave without pay.

Deductions from the pay of a district employee for absences due to a budget-required furlough shall not disqualify the employee from being paid on a salary basis except in the workweek in which the furlough occurs and for which the employee's pay is accordingly reduced.

29 C.F.R. 541.710

*Safe Harbor
Policy*

If a district has a clearly communicated policy that prohibits improper pay deductions and includes a complaint mechanism, reimburses employees for any improper deductions, and makes a good faith commitment to comply in the future, the district will not lose

the exemption unless the district willfully violates the policy by continuing to make improper deductions after receiving employee complaints.

The best evidence of a clearly communicated policy is a written policy that was distributed to employees before the improper pay deductions by, for example, providing a copy of the policy to employees upon hire, publishing the policy in an employee handbook, or publishing the policy on a district's intranet.

29 C.F.R. 541.603(d)

Teachers

The term "employee employed in a bona fide professional capacity" includes any employee with a primary duty of teaching, tutoring, instructing, or lecturing in the activity of imparting knowledge and who is employed and engaged in this activity as a teacher in an elementary or secondary school system by which the employee is employed. The salary basis requirements do not apply to teaching professionals.

Exempt teachers include:

1. Regular academic teachers;
2. Teachers of kindergarten or nursery school pupils;
3. Teachers of gifted or disabled children;
4. Teachers of skilled and semi-skilled trades and occupations;
5. Teachers engaged in automobile driving instruction;
6. Home economics teachers; and
7. Vocal or instrumental music instructors.

Those faculty members who are engaged as teachers but also spend a considerable amount of their time in extracurricular activities such as coaching athletic teams or acting as moderators or advisors in such areas as drama, speech, debate, or journalism are engaged in teaching. Such activities are a recognized part of the schools' responsibility in contributing to the educational development of the student.

The possession of an elementary or secondary teacher's certificate provides a clear means of identifying the individuals contemplated as being within the scope of the exemption for teaching professionals. Teachers who possess a teaching certificate qualify for the exemption regardless of the terminology (e.g., permanent, conditional, standard, provisional, temporary, emergency, or unlimited) used by the state to refer to different kinds of certificates. However, a teacher who is not certified may be considered for

State Leave

State Personal
Leave

A district shall provide employees with five days per year of state personal leave, with no limit on accumulation and no restrictions on transfer among districts. A district may provide additional personal leave beyond this minimum.

A board may adopt a policy governing an employee's use of state personal leave, except that the policy may not restrict the purposes for which the leave may be used.

State Sick Leave

District employees retain any sick leave accumulated as state minimum sick leave under former Section 13.904(a) of the Education Code. Accumulated state sick leave shall be used only for the following:

1. Illness of the employee.
2. Illness of a member of the employee's immediate family.
3. Family emergency.
4. Death in the employee's immediate family.
5. During military leave [see Use During Military Leave, below].

Order of Use

A board's policy governing an employee's use of state personal leave may not restrict the order in which an employee may use state personal leave and any additional personal leave provided by the school district.

An employee who retains any state sick leave is entitled to use the state sick leave, state personal leave, or local personal leave in any order to the extent that the leave the employee uses is appropriate to the purpose of the leave.

Use During Military Leave An employee with available personal leave is entitled to use the leave for compensation during a term of active military service. "Personal leave" includes personal or sick leave available under former law or provided by local policy. *Education Code 22.003(d), (e)* [See DECB]

Temporary Disability Each full-time educator shall be given a leave of absence for temporary disability at any time the educator's condition interferes with the performance of regular duties. The contract or employment of the educator may not be terminated while the educator is on a leave of absence for temporary disability. For purposes of temporary disability leave, pregnancy is considered a temporary disability.

At Employee's Request A request for a leave of absence for temporary disability must be made to a superintendent. The request must:

1. Be accompanied by a physician's statement confirming inability to work;
2. State the date requested by the educator for the leave to begin; and
3. State the probable date of return as certified by the physician.

By Board Authority A board may adopt a policy providing for placing an educator on leave of absence for temporary disability if, in the board's judgment in consultation with a physician who has performed a thorough medical examination of the educator, the educator's condition interferes with the performance of regular duties. The educator shall have the right to present to the board testimony or other information relevant to the educator's fitness to continue in the performance of regular duties. [See DBB]

Return to Active Duty The educator shall notify the superintendent of a desire to return to active duty no later than the 30th day before the expected date of return. The notice must be accompanied by a physician's statement indicating the educator's physical fitness for the resumption of regular duties.

Placement An educator returning to active duty after a leave of absence for temporary disability is entitled to an assignment at the school where the educator formerly taught, subject to the availability of an appropriate teaching position. In any event, the educator shall be placed on active duty no later than the beginning of the next school year. A principal at another campus voluntarily may approve the appointment of an employee who wishes to return from leave of absence. However, if no other principal approves the assignment by the beginning of the next school year, a district must place the

Assault Leave	<p>In addition to all other days of leave, a district employee who is physically assaulted during the performance of regular duties is entitled to the number of days of leave necessary to recuperate from physical injuries sustained as a result of the assault. Any form used by a district through which an employee may request personal leave must include assault leave as an option.</p>
Assignment to Assault Leave	<p>At the request of an employee, a district must immediately assign the employee to assault leave. Days of assault leave may not be deducted from accrued personal leave. Assault leave may not extend more than two years beyond the date of the assault. Following an investigation of the claim, a district may change the assault leave status and charge the leave against the employee's accrued personal leave or against the employee's pay if insufficient accrued personal leave is available.</p>

4. Sibling, stepsibling, and sibling-in-law.
5. Grandparent and grandchild.

Catastrophic Illness
or Injury

A catastrophic illness or injury is a severe condition or combination of conditions affecting the mental or physical health of the employee that requires the services of a licensed practitioner for a prolonged period of time (15 business days or more) and that forces the employee to exhaust all leave time earned by that employee and to lose compensation from the District. Such conditions typically require prolonged hospitalization or recovery or are expected to result in disability or death. Conditions relating to pregnancy or childbirth shall be considered catastrophic if they meet the requirements of this paragraph.

Note: For District contribution to employee insurance during leave, see CRD(LOCAL).

Availability

The District shall make state personal leave and local leave for the current year available for use at the beginning of the school year.

State Leave Proration

If an employee separates from employment with the District before his or her last duty day of the school year or begins employment after the first duty day of the school year, state personal leave shall be prorated based on the actual time employed.

If an employee separates from employment before the last duty day of the school year, the employee's final paycheck shall be reduced for state personal leave the employee used beyond his or her pro rata entitlement for the school year.

Medical Certification

An employee shall submit medical certification of the need for leave if:

1. The employee is absent more than three consecutive work-days because of personal illness or illness in the immediate family;
2. The District requires medical certification due to a questionable pattern of absences or when deemed necessary by the supervisor or Superintendent; or
3. The employee requests FMLA leave for the employee's serious health condition; a serious health condition of the employee's spouse, parent, or child; or for military caregiver leave.

In each case, medical certification shall be made by a health-care provider as defined by the FMLA. [See DECA(LEGAL)]

Nondiscretionary use includes leave related to the birth or placement of a child and taken within the first year after the child's birth, adoption, or foster placement.

[See DBB(LOCAL) for temporary disability leave placement and DEC(LEGAL) for return to active duty.]</p> <p>An employee's notification of need for extended absence due to the employee's own medical condition shall be forwarded to the Superintendent as a request for temporary disability leave.</p> <p>The District shall require the employee to use temporary disability leave and paid leave, including any compensatory time, concurrently with FMLA leave.</p>

**Workers'
Compensation**

Note: Workers' compensation is not a form of leave. The workers' compensation law does not require the continuation of the District's contribution to health insurance.

No Paid Leave
Offset

An absence due to a work-related injury or illness shall be designated as FMLA leave, temporary disability leave, and/or assault leave, as applicable.

The District shall not permit the option for paid leave offset in conjunction with workers' compensation income benefits. [See CRE]

Court Appearances

Absences due to compliance with a valid subpoena or for jury duty shall be fully compensated by the District and shall not be deducted from the employee's pay or leave balance.

**Payment for
Accumulated Leave
Upon Separation**

The following leave provisions shall apply to local leave accumulated beginning on the original effective date of this program.

A contract employee who separates from employment with the District shall be eligible for payment for accumulated local leave under the following conditions:

1. The employee's separation from employment is voluntary, i.e., the employee is retiring or resigning and is not being discharged or nonrenewed.
2. The employee notifies the human resources department in writing no later than March 1 of the employee's intention to separate from employment at the end of the school year.
3. The employee completes the current contract.

The employee shall receive payment for each day of accumulated local leave, to a maximum of 20 days, at a rate of \$50 per day. If the employee is reemployed with the District, days for which the employee received payment shall not be available to that employee.

The rate established by the Board shall be in effect until the Board adopts a new rate. Any changes to the rate shall apply beginning with the school year following the adoption of the rate change.

**Neutral Absence

If an employee does not return to work after exhausting all available paid and unpaid leave, the District shall provide the employee written notice that he or she no longer has leave available for use. The District shall automatically pursue termination of an employee who has exhausted all available leave, regardless of the reason for the absence [see DF series]. The employee's eligibility for reasonable accommodations, as required by the Americans with Disabilities Act [see DAA(LEGAL)], shall be considered before termination.

Withholding Information

An attempt by any district employee to encourage or coerce a child to withhold information from the child's parent is grounds for discharge or suspension under Education Code 21.104 (probationary contracts) and 21.211 (term contracts). *Education Code 26.008(b)*

[See DBAA] *Education Code 22.092*

Discharge of Convicted Employees

A district shall discharge or refuse to hire an employee or applicant for employment if the district obtains information through a criminal history record information (CHRI) review that the employee or applicant has been:

1. Convicted of or placed on deferred adjudication community supervision for an offense requiring registration as a sex offender under Code of Criminal Procedure Chapter 62; or
2. Convicted of:
 - a. A felony under Title 5, Penal Code, if the victim of the offense was under 18 years of age at the time the offense was committed; or
 - b. An offense under the laws of another state or federal law that is equivalent to an offense under item 1 or 2a, above.

Exception

However, a district is not required to discharge an employee if the person committed an offense under Title 5, Penal Code, and:

1. The date of the offense is more than 30 years before the date the person's employment will begin; and
2. The employee satisfied all terms of the court order entered on conviction.

Certification to Commissioner

The employee is not entitled to the minimum salary prescribed by Education Code 21.402.

Education Code 21.0031(b)

Exception

A district may not terminate or suspend an employee under 21.0031(b) because of the employee's lack of a valid certificate or permit, or failure to renew or extend a certificate or permit, if:

Upon Change in Professional Capacity

An employee may be employed under a probationary contract if the employee voluntarily accepts an assignment in a new professional capacity that requires a different class of certificate under Education Code Chapter 21, Subchapter B than the class of certificate held by the employee in the professional capacity in which the employee was previously employed.

This provision does not apply to an employee who is returned by the District to a professional capacity in which the employee was employed by the District before the District employed the employee in the new professional capacity. The employee is entitled to be employed in the original professional capacity under the same contractual status as the status held by the employee during the previous employment by the District in that capacity.

In Lieu of Discharge, Termination, or Nonrenewal

In lieu of discharging a continuing contract employee, terminating a term contract employee, or not renewing a term contract, the District may, with written consent of the employee, return the employee to probationary contract status. *Education Code 21.106(a)*

After Board Proposal

Except as provided below, an employee may agree to be returned to probationary status only after receiving written notice that the Board has proposed discharge, termination, or nonrenewal. [See DF series] *Education Code 21.106(b)*

After Notice from Superintendent

An employee may agree to be returned to probationary contract status after receiving written notice of the Superintendent's intent to recommend discharge, termination, or nonrenewal.

Notice

The notice must inform the employee of the District's offer to return the employee to probationary contract status, the period during which the employee may consider the offer, and the employee's right to seek counsel. The District must provide the employee at least three business days after the employee receives the notice to agree to be returned to probationary contract status. This provision does not require the Superintendent to provide notice of intent to recommend discharge, termination, or nonrenewal.

A written resignation mailed by prepaid certified or registered mail to a board president or a board's designee at the post office address of the district is considered filed at the time of mailing.

Education Code 21.105(a), .160(a), .210(a)

An unequivocal resignation filed not later than the 45th day before the first day of instruction of the following school year is effective upon filing with a district and the district cannot reject such a resignation. On written complaint by a district, the State Board for Educator Certification (SBEC) may impose sanctions against an educator who is employed under a probationary contract, or under a continuing or term contract, for the following school year, and who:

1. Resigns;
2. Fails without good cause to comply with the resignation deadline or the provision regarding resignation by consent; and
3. Fails without good cause to perform the contract.

This finding constitutes prima facie evidence of the educator's lack of good cause but is not a conclusive determination.
3. Submits the following required attachments to the written complaint:
 - a. The educator's resignation letter, if any;
 - b. The agreement with the educator regarding the effective date of separation from employment, if any;
 - c. The educator's contract; and
 - d. Board meeting minutes indicating a finding of "no good cause." If the board does not meet within 30 calendar days of the educator's separation from employment, the minutes may be submitted within ten calendar days after the next board meeting.

Good Cause

SBEC may consider the following factors when an educator is reported to have abandoned a contract in violation of Education Code 21.105(c), 21.160(c), or 21.210(c):

1. Serious illness or health condition of the educator or close family member of the educator;
2. Relocation to a new city as a result of change in employer of the educator's spouse or partner who resides with the educator; or
3. Significant change in the educator's family needs that requires the educator to relocate or to devote more time than allowed by current employment.

Mitigating Factors

SBEC may consider the following factors when seeking, proposing, or making a decision regarding an educator who has abandoned a contract in violation of Education Code 21.105(c), 21.160(c), or 21.210(c):

At-Will Employees

The Superintendent or designee shall be authorized to accept the resignation of an at-will employee at any time.

Board Authority

A board is charged with the responsibility of governance of a district; governance includes the making of responsible choices in managing the finances and personnel of the district. *Stidham v. A district is always free to change its organizational structure as it seeks to increase its efficiency. *Wasserman v. Nederland Indep. Sch. Dist., Tex. Comm'r of Educ. Decision No. 171-R1-784 (1988)*

**Consideration for
Open Positions**

The commissioner of education has held that, when a position is eliminated due to a necessary reduction in force, a district must transfer the employee to a different position if the teacher meets a district's objective criteria for that position. Objective criteria may include credentials, education, experience, applying for the position, and interviewing for the position. A district need not offer a position to a teacher who refuses to apply and interview for an open position. *Amerson v. Houston Indep. Sch. Dist., Tex. Comm'r of Educ. A probationary contract employee may be discharged at any time for good cause as determined by the board. If the employee is protesting proposed action to terminate a probationary contract before the end of the contract period on the basis of a financial exigency declared under Education Code 44.011 [see CEA], the employee is entitled to a hearing in the manner provided under Education Code 21.207 for nonrenewal of a term contract [see DFBB] or a hearing under Education Code Chapter 21, Subchapter F (hearings before independent hearing examiner) [see DFD], as determined by the board. *Education Code 21.104(a), .1041(2)*

A board may terminate a probationary contract at the end of the contract period if in the board's judgment such termination will serve the best interests of the district. *Education Code 21.103(a)*

Term Contract

A board may terminate a term contract and discharge a term contract employee at any time due to a financial exigency that requires a reduction in personnel. *Education Code 21.211(a)*

An employee who is protesting proposed action to terminate a term contract at any time on the basis of a financial exigency declared under Education Code 44.011 [see CEA] that requires a reduction in personnel must notify the board in writing not later than the tenth day after the date the employee receives notice of the proposed action. The employee is entitled to a hearing in the manner provided under Education Code 21.207 for nonrenewal of a term contract [see DFBB] or a hearing under Education Code Chapter 21, Subchapter F (hearings before independent hearing examiner)

Continuing Contract

A teacher employed under a continuing contract may be released and the teacher's employment terminated at the end of a school year because of a necessary reduction of personnel by the district. A necessary reduction of personnel shall be made primarily based upon teacher appraisals administered under Education Code 21.352 in the specific teaching fields and other criteria as determined by the board. *Education Code 21.157*

Before a teacher employed under a continuing contract may be released because of a necessary reduction of personnel, the board must notify the teacher in writing of the proposed action and the grounds for the action. *Education Code 21.158(a)*

If the teacher desires to protest the proposed necessary reduction of personnel, the teacher must notify the board in writing not later than the tenth day after the date the teacher receives notice. *Education Code 21.159(a)*

Financial Exigency

A board may adopt a resolution declaring a financial exigency for the district. *Education Code 44.011* [See CEA]

Hearing Examiner

The independent hearing examiner process does not apply to a decision to terminate a probationary or term contract before the end of the contract period or terminate a continuing contract at any time, based on a financial exigency declared under Education Code 44.011 [see CEA] that requires a reduction in personnel, unless the board has decided to use this hearing process. *Education Code 21.251*

Warn Act

Local governments are not covered by the federal Worker Adjustment and Retraining Notification Act (WARN Act) (plant closings and mass layoffs). *20 C.F.R. 639.3(a)(ii)*

**Employee Free
Speech**

District employees do not shed their constitutional rights to freedom of speech or expression at the schoolhouse gate.

However, neither an employee nor anyone else has an absolute constitutional right to use all parts of a school building or its immediate environs for unlimited expressive purposes. When a public employee makes statements pursuant to his or her official duties, the employee is not speaking as a citizen for First Amendment purposes, and the Constitution does not insulate the communications from employer discipline.

Garcetti v. Ceballos, 547 U.S. 410 (2006); *Tinker v. Des Moines Indep. Cmty. Sch. Dist.*, 393 U.S. 503 (1969) [See also GKD]

**Whistleblower
Protection**

A board or its agents shall not suspend or terminate the employment of, or take other adverse personnel action against, an employee who in good faith reports a violation of law by a district or another public employee to an appropriate law enforcement authority.

A "report" is made to an "appropriate law enforcement authority" if the authority is a part of a state or local governmental entity or the federal government that the employee in good faith believes is authorized to:

1. Regulate under or enforce the law alleged to be violated in the report; or
2. Investigate or prosecute a violation of criminal law.

Gov't Code 554.002

A supervisor who suspends or terminates the employment of or takes an adverse personnel action against an employee for reporting a violation of law shall be subject to civil penalties. *Gov't Code 554.008*

Definitions

"Employee" means an employee or appointed officer who is paid to perform services for a district. It does not include independent contractors. *Gov't Code 554.001(4)*

"Law" means a state or federal statute, an ordinance of a local governmental entity, or a rule adopted under a statute or ordinance. *Gov't Code 554.001(1)*

A "good faith" belief that a violation of the law occurred means that:

1. The employee believed that the conduct reported was a violation of law; and
2. The employee's belief was reasonable in light of the employee's training and experience.

Wichita County v. Hart, 917 S.W.2d 779 (Tex. 1996)

A “good faith” belief that a law enforcement authority is an appropriate one means:

1. The employee believed the governmental entity was authorized to:
 - a. Regulate under or enforce the law alleged to be violated in the report, or
 - b. Investigate or prosecute a violation of criminal law; and
2. The employee’s belief was reasonable in light of the employee’s training and experience.

Tex. Dep’t of Transp. v. Needham, 82 S.W.3d 314 (Tex. 2002)

**Whistleblower
Complaints**

An employee who alleges a violation of whistleblower protection may sue a district for injunctive relief, actual damages, court costs, and attorney’s fees, as well as other relief specified in Government Code 554.003. *Gov’t Code 554.003*

Initiate Grievance

Before suing, an employee must initiate action under a district’s grievance policy or other applicable policies concerning suspension or termination of employment or adverse personnel action.

The employee must invoke a district’s grievance procedure not later than the 90th day after the date on which the alleged suspension, termination, or other adverse employment action occurred or was discovered by the employee through reasonable diligence.

Legal Action

If a board does not render a final decision before the 61st day after grievance procedures are initiated, the employee may elect to:

1. Exhaust a district’s grievance procedures, in which case the employee must sue not later than the 30th day after the date those procedures are exhausted to obtain relief under Government Code Chapter 554; or
2. Terminate district grievance procedures and sue within the time lines established by Government Code 554.005 and 554.006.

Gov’t Code 554.005, 554.006 [See DGBA regarding grievance procedures]

Burden of Proof

If the employee brings a lawsuit, the employee has the burden of proof unless the suspension, termination, or adverse personnel action occurred within 90 days after the employee reported a violation of law, in which case the suspension, termination, or adverse personnel action is presumed, subject to rebuttal, to be because the employee made the report.

Affirmative Defense	<p>It is an affirmative defense to a whistleblower suit that the district would have taken the action against the employee that forms the basis of the suit based solely on information, observation, or evidence that is not related to the fact that the employee made a report protected under the whistleblower law.</p> <p><i>Gov't Code 554.004</i></p>
Notice of Rights	<p>A board shall inform its employees of their rights regarding whistleblower protection by posting a sign in a prominent location in the workplace. The design and content of the sign shall be as prescribed by the attorney general. <i>Gov't Code 554.009</i></p>
Right to Report a Crime	<p>A district employee may report a crime witnessed at the school to any peace officer with authority to investigate the crime. A district may not adopt a policy requiring a school employee to refrain from reporting a crime witnessed at the school or to report a crime witnessed at the school only to certain persons or peace officers. <i>Education Code 37.148</i></p>
Protection for Reporting Child Abuse	<p>A district may not suspend or terminate the employment of, discriminate against, or take other adverse employment action against a professional employee who in good faith:</p> <ol style="list-style-type: none">1. A law enforcement agency; or2. Initiates or cooperates with an investigation or proceeding by a governmental entity relating to an allegation of child abuse or neglect. <p>"Adverse employment action" means an action that affects an employee's compensation, promotion, transfer, work assignment, or performance evaluation, or any other employment action that would dissuade a reasonable employee from making or supporting a report of abuse or neglect under Family Code 261.101.</p> <p>A person may sue for injunctive relief, damages, or both if the person is suspended or terminated from the person's employment; is discriminated against; or suffers any other adverse employment action.</p>

A district employee who has a cause of action under the provisions at Whistleblower Protection, above, may not bring an action under Protection for Reporting Child Abuse.

Family Code 261.110(a)–(c), (l)

**Protection from
Disciplinary
Proceedings**

For purposes of the following provisions, “disciplinary proceeding” means discharge or suspension of a professional employee, or termination or nonrenewal of a professional employee’s term contract. [See DGC regarding immunity] *Education Code 22.0512(b)*

Reporting Child
Abuse or
Maltreatment

A district employee may not be subject to any disciplinary proceeding resulting from an action taken in compliance with Education Code 38.0041 [prevention of child abuse and other maltreatment, see FFG]. *Education Code 38.0041(g)*

Use of Physical
Force

A professional employee may not be subject to disciplinary proceedings for the employee’s use of physical force against a student to the extent justified under Penal Code 9.62. This provision does not prohibit a district from enforcing a policy relating to corporal punishment or bringing a disciplinary proceeding against a professional employee of the district who violates the district policy relating to corporal punishment. *Education Code 22.0512(a); Tex. Att’y Gen. Op. GA-0202 (2004)*

Penal Code 9.62 provides that the use of force, other than deadly force, against a person is justified:

1. If the actor is entrusted with the care, supervision, or administration of the person for a special purpose; and
2. When and to the degree the actor reasonably believes the force is necessary to further the special purpose or to maintain discipline in a group.

Penal Code 9.62

**Failure to Follow
Scope and Sequence**

A district may not penalize a teacher who does not follow a recommended or designated scope and sequence for a subject in the required curriculum under Education Code 28.002(a) in a particular grade level based on the teacher’s determination that the teacher’s students need more or less time in a specific area to demonstrate proficiency in the essential knowledge and skills for that subject and grade level [see EHAA].

A district may take appropriate action with respect to a teacher for conduct described above based on documented evidence of a deficiency in classroom instruction obtained through observation or substantiated and documented third-party information.

Education Code 28.0027(b), (c)

**Instructional
Materials and
Technological
Equipment**

A board may not require an employee who acts in good faith to pay for instructional materials or technological equipment that is damaged, stolen, misplaced, or not returned. An employee may not waive this provision by contract or any other means.

Exception

A district may enter into a written agreement with an employee whereby the employee assumes financial responsibility for electronic instructional material or technological equipment usage off school property or outside of a school-sponsored event in consideration for the ability of the employee to use the electronic instructional material or technological equipment for personal business.

The written agreement shall be separate from the employee's contract of employment, if applicable, and shall clearly inform the employee of the amount of the financial responsibility and advise the employee to consider obtaining appropriate insurance. An employee may not be required to enter into such an agreement as a condition of employment.

Education Code 31.104(e); 19 TAC 66.107(c)

Jury Duty

A district may not discharge, threaten to discharge, intimidate, or coerce any permanent employee because the employee serves as a juror or grand juror, or for the employee's attendance or scheduled attendance in connection with the service, in any court in the United States. An employee who is discharged, threatened with discharge, intimidated, or coerced is entitled to return to the same employment that the employee held when summoned for jury or grand jury service if the employee, as soon as practical after release from jury or grand jury service, gives the employer actual notice that the employee intends to return. *Civ. Prac. and Rem. Code 122.001*

A district may not discharge, discipline, reduce the salary of, or otherwise penalize or discriminate against a school district employee because of the employee's compliance with a summons to appear as a juror. For each regularly scheduled workday on which a nonsalaried employee serves in any phase of jury service, a school district shall pay the employee the employee's normal daily compensation [see DEC]. *Education Code 22.006(a), (b)*

**Breaks for Nursing
Mothers—
Nonexempt
Employees**

A district shall provide a nonexempt employee a reasonable break to express breast milk, each time the employee needs to express breast milk for her nursing child, for one year after the child's birth. The district shall provide a place, other than a bathroom, that is shielded from view and free from intrusion from coworkers and the public, which may be used by an employee to express breast milk.

A district is not required to compensate the employee receiving reasonable break time for any work time spent for such purpose.

A district that employs fewer than 50 employees is not subject to these requirements if the requirements would impose an undue hardship by causing the district significant difficulty or expense when considered in relation to the size, financial resources, nature, or structure of the district.

29 U.S.C. 207(r)

**Right to Express
Breast Milk**

A district employee is entitled to express breast milk at the employee's workplace. *Gov't Code 619.002*

The district shall develop a written policy on the expression of breast milk by employees under Government Code Chapter 619. The policy must state that the district shall support the practice of expressing breast milk and make reasonable accommodations for the needs of employees who express breast milk.

A district shall provide a reasonable amount of break time for an employee to express breast milk each time the employee has need to express the milk. The district shall provide a place, other than a multiple user bathroom, that is shielded from view and free from intrusion from other employees and the public where the employee can express breast milk.

A district may not suspend or terminate the employment of, or otherwise discriminate against, an employee because the employee has asserted the employee's rights under Government Code Chapter 619. Government Code Chapter 619 does not create a private or state cause of action against a district.

Gov't Code Ch. 619

**Charitable
Contributions**

A board or a district employee may not directly or indirectly require or coerce any district employee to:

1. Make a contribution to a charitable organization or in response to a fund-raiser; or
2. Attend a meeting called for the purpose of soliciting charitable contributions.

A board or district employee may not directly or indirectly require or coerce any district employee to refrain from the same acts.

Education Code 22.011

Protection of Nurses

A district may not suspend, terminate, or otherwise discipline or discriminate against a nurse who refuses to engage in an act or omission relating to patient care that:

EMPLOYEE RIGHTS AND PRIVILEGES

1. Would constitute grounds for reporting the nurse to the Board of Nurse Examiners under Occupations Code Chapter 301, Subchapter I;
2. Constitutes a minor incident, as defined at Occupations Code 301.419; or
3. Would violate Occupations Code Chapter 301 or a rule of the Board of Nurse Examiners, if the nurse notifies the district at the time of the refusal that this is the reason for refusing to engage in the act or omission.

Occupations Code 301.352(a)

**Privileges to
Employee
Organizations**

The District may distinguish among associations on the basis of proportionate membership if it ensures that any distinguishing policies and customs are reasonable and not coercive. *San Antonio Federation of Teachers v. San Antonio Indep. Sch. Dist., Comm. of Ed. Dec. 77-R105 (1980)*

**United States
Constitution**

A district shall take no action abridging the freedom of speech or the right of the people to petition the board for redress of grievances. *U.S. Const. Amend. I, XIV*

A board may confine its meetings to specified subject matter and may hold nonpublic sessions to transact business. But when a board sits in public meetings to conduct public business and hear the views of citizens, it may not discriminate between speakers on the basis of the content of their speech or the message it conveys. *Rosenberger v. Rector & Visitors of Univ. of Virginia*, 515 U.S. 819, 828 (1995); *City of Madison v. Wis. Emp. Rel. Comm'n*, 429 U.S. 167, 174 (1976); *Pickering v. Bd. of Educ.*, 391 U.S. 563, 568 (1968) [See DG]

Texas Constitution

Employees shall have the right, in a peaceable manner, to assemble together for their common good and to apply to those invested with the powers of government for redress of grievances or other purposes, by petition, address, or remonstrance. *Tex. Const. Art. I, Sec. 27*

There is no requirement that a board negotiate or even respond to complaints. However, a board must stop, look, and listen and must consider the petition, address, or remonstrance. *Prof'l Ass'n of College Educators v. El Paso County Cmty. [College] District*, 678 S.W.2d 94 (Tex. App.—El Paso 1984, writ ref'd n.r.e.)

Federal Laws

Section 504

A district that receives federal financial assistance, directly or indirectly, and that employs 15 or more persons shall adopt grievance procedures that incorporate appropriate due process standards and that provide for the prompt and equitable resolution of complaints alleging any action prohibited by Section 504 of the Rehabilitation Act of 1973. *34 C.F.R. 104.7(b), .11*

Americans with
Disabilities Act

A district that employs 50 or more persons shall adopt and publish grievance procedures providing for prompt and equitable resolution of complaints alleging any action that would be prohibited by the Code of Federal Regulations, Title 28, Part 35 (Americans with Disabilities Act regulations). *28 C.F.R. 35.107, .140*

Title IX

A district that receives federal financial assistance, directly or indirectly, shall adopt and publish grievance procedures providing for prompt and equitable resolution of employee complaints alleging any action prohibited by Title IX of the Education Amendments of 1972. *34 C.F.R. 106.8(c)*; *North Haven Bd. of Educ. v. Bell*, 456 U.S. 512 (1982) [For legally referenced material relating to Title IX grievance procedures, see FFH(LEGAL).]

State Laws

Wages, Hours,
Conditions of Work

The prohibition against collective bargaining and strikes [see DGA] does not impair the right of employees to present grievances concerning their wages, hours of employment, or conditions of work, either individually or through a representative that does not claim the right to strike. *Gov't Code 617.005*

The term "conditions of work" should be construed broadly to include any area of wages, hours or conditions of employment, and any other matter that is appropriate for communications from employees to employer concerning an aspect of their relationship. *Atty. Gen. Op. JM-177 (1984)*; *Corpus Christi Fed. of Teachers v. Corpus Christi Indep. Sch. Dist.*, 572 S.W.2d 663 (Tex. 1978)

The statute protects grievances presented individually or individual grievances presented collectively. *Lubbock Prof'l Firefighters v. City of Lubbock*, 742 S.W.2d 413 (Tex. App.—Amarillo 1987, writ ref'd n.r.e.)

Representative

A district cannot deny an employee's representative, including an attorney, the right to represent the employee at any stage of the grievance procedure, so long as the employee designates the representative and the representative does not claim the right to strike. *Lubbock Prof'l Firefighters v. City of Lubbock*, 742 S.W.2d 413 (Tex. App.—Amarillo 1987, writ ref'd n.r.e.); *Sayre v. Mullins*, 681 S.W.2d 25 (Tex. 1984)

A district should meet with employees or their designated representatives at reasonable times and places to hear grievances concerning wages, hours of work, and conditions of work. The right to present grievances is satisfied if employees have access to those in a position of authority to air their grievances. However, that authority is under no legal compulsion to take action to rectify the matter. *Atty. Gen. Op. H-422 (1974)*; *Corpus Christi Indep. Sch. Dist. v. Padilla*, 709 S.W.2d 700 (Tex. App.—Corpus Christi, 1986, no writ)

Employment Policy

A district's employment policy must provide each employee with the right to present grievances to the board.

The policy may not restrict the ability of an employee to communicate directly with a member of the board regarding a matter relating to the operation of a district, except that the policy may prohibit ex parte communication relating to:

1. A hearing under Education Code Chapter 21, Subchapter E (Term Contracts) or F (Hearing Examiners); and

2. Another appeal or hearing in which ex parte communication would be inappropriate pending a final decision by the board.

Education Code 11.1513

Grievance Policy

A district's grievance policy must permit an employee to report a grievance against a supervisor to a different supervisor if the employee alleges that the supervisor:

1. Violated the law in the workplace; or
2. Unlawfully harassed the employee.

*Telephone
Representation*

If a district's grievance policy provides for representation, the policy must permit an employee's representative to represent the employee through a telephone conference call at any formal grievance proceeding, hearing, or conference at which the employee is entitled to representation according to the policy. This provision applies to grievances under Education Code 11.171(a) and only if the district has the equipment necessary for a telephone conference call.

Education Code 11.171(a), (c)

Audio Recording

A district's grievance policy must permit an employee who reports a grievance to make an audio recording of any meeting or proceeding at which the substance of a grievance that complies with the policy is investigated or discussed. The implementation of an employee's authorization to make an audio recording may not result in a delay of any time line provided by the grievance policy. A district is not required to provide equipment for the employee to make the recording. *Education Code 11.171(b)*

Finality of Grades

An examination or course grade issued by a classroom teacher is final and may not be changed unless the grade is arbitrary, erroneous, or not consistent with a district's grading policy applicable to the grade, as determined by the board.

A board's determination is not subject to appeal.

Education Code 28.0214

Open Meetings Act

A board is not required to conduct an open meeting to hear a complaint or charge against an employee. However, a board may not conduct a closed meeting if the employee who is the subject of the hearing requests a public hearing. *Gov't Code 551.074* [See BEC]

Closed Meeting

A board may conduct a closed meeting on an employee complaint to the extent required or provided by law. *Gov't Code 551.082* [See BEC]

**Record of
Proceedings**

An appeal of a board's decision to the commissioner shall be decided based on a review of the record developed at the district level. "Record" includes, at a minimum, an audible electronic recording or written transcript of all oral testimony or argument. *Education Code 7.057(c), (f)*

It is a district's responsibility to make and preserve the records of the proceedings before the board. If a district fails to create and preserve the record without good cause, all substantial evidence issues that require missing portions of the record for resolution shall be deemed against the district. The record shall include:

1. A tape recording or a transcript of the hearing at the local level. If a tape recording is used:
 - a. The tape recording must be complete, audible, and clear; and
 - b. Each speaker must be clearly identified.
2. All evidence admitted;
3. All offers of proof;
4. All written pleadings, motions, and intermediate rulings;
5. A description of matters officially noticed;
6. If applicable, the decision of the hearing examiner;
7. A tape recording or transcript of the oral argument before the board; and
8. The decision of the board.

19 TAC 157.1073(d)

**Whistleblower
Complaints**

Before bringing suit, an employee who seeks relief under Government Code Chapter 554 (whistleblowers) must initiate action under a district's grievance or appeal procedures relating to suspension or termination of employment or adverse personnel action. *Gov't Code 554.006* [See DG]

Complaints

In this policy, the terms “complaint” and “grievance” shall have the same meaning.

Other Complaint Processes

Employee complaints shall be filed in accordance with this policy, except as required by the policies listed below. Some of these policies require appeals to be submitted in accordance with DGBA after the relevant complaint process:

1. Complaints alleging discrimination, including violations of Title IX (gender), Title VII (sex, race, color, religion, national origin), ADEA (age), or Section 504 (disability), shall be submitted in accordance with DIA.
2. Complaints alleging certain forms of harassment, including harassment by a supervisor and violation of Title VII, shall be submitted in accordance with DIA.
3. Complaints concerning retaliation relating to discrimination and harassment shall be submitted in accordance with DIA.
4. Complaints concerning instructional resources shall be submitted in accordance with EF.
5. Complaints concerning a commissioned peace officer who is an employee of the District shall be submitted in accordance with CKE.
6. Complaints concerning the proposed nonrenewal of a term contract issued under Chapter 21 of the Education Code shall be submitted in accordance with DFBB.
7. Complaints concerning the proposed termination or suspension without pay of an employee on a probationary, term, or continuing contract issued under Chapter 21 of the Education Code during the contract term shall be submitted in accordance with DFAA, DFBA, or DFCA.

Notice to Employees

The District shall inform employees of this policy through appropriate District publications.

Guiding Principles

Informal Process

The Board encourages employees to discuss their concerns with their supervisor, principal, or other appropriate administrator who has the authority to address the concerns. Concerns should be expressed as soon as possible to allow early resolution at the lowest possible administrative level.

Informal resolution shall be encouraged but shall not extend any deadlines in this policy, except by mutual written consent.

Copies of any documents that support the complaint should be attached to the complaint form. If the employee does not have copies of these documents, they may be presented at the Level One conference. After the Level One conference, no new documents may be submitted by the employee unless the employee did not know the documents existed before the Level One conference.

A complaint or appeal form that is incomplete in any material aspect may be dismissed but may be refiled with all the required information if the refileing is within the designated time for filing.

Audio Recording

As provided by law, an employee shall be permitted to make an audio recording of a conference or hearing under this policy at which the substance of the employee's complaint is discussed. The employee shall notify all attendees present that an audio recording is taking place.

Level One

Complaint forms must be filed:

1. Within 15 days of the date the employee first knew, or with reasonable diligence should have known, of the decision or action giving rise to the complaint or grievance; and
2. With the lowest level administrator who has the authority to remedy the alleged problem.

In most circumstances, employees on a school campus shall file Level One complaints with the campus principal; other District employees shall file Level One complaints with their immediate supervisor.

If the only administrator who has authority to remedy the alleged problem is the Superintendent or designee, the complaint may begin at Level Two following the procedure, including deadlines, for filing the complaint form at Level One.

If the complaint is not filed with the appropriate administrator, the receiving administrator must note the date and time the complaint form was received and immediately forward the complaint form to the appropriate administrator.

The appropriate administrator shall investigate as necessary and schedule a conference with the employee within ten days after receipt of the written complaint. The administrator may set reasonable time limits for the conference.

Absent extenuating circumstances, the administrator shall provide the employee a written response within ten days following the conference. The written response shall set forth the basis of the decision. In reaching a decision, the administrator may consider information provided at the Level One conference and any other relevant documents or information the administrator believes will help resolve the complaint.

Level Two

If the employee did not receive the relief requested at Level One or if the time for a response has expired, the employee may request a conference with the Superintendent or designee to appeal the Level One decision.

The appeal notice must be filed in writing, on a form provided by the District, within ten days of the date of the written Level One response or, if no response was received, within ten days of the Level One response deadline.

After receiving notice of the appeal, the Level One administrator shall prepare and forward a record of the Level One complaint to the Level Two administrator. The employee may request a copy of the Level One record.

The Level One record shall include:

1. The original complaint form and any attachments.
2. All other documents submitted by the employee at Level One.
3. The written response issued at Level One and any attachments.
4. All other documents relied upon by the Level One administrator in reaching the Level One decision.

The Superintendent or designee shall schedule a conference within ten days after the appeal notice is filed. The conference shall be limited to the issues and documents considered at Level One. At the conference, the employee may provide information concerning any documents or information relied upon by the administration for the Level One decision. The Superintendent or designee may set reasonable time limits for the conference.

The Superintendent or designee shall provide the employee a written response within ten days following the conference. The written response shall set forth the basis of the decision. In reaching a decision, the Superintendent or designee may consider the Level One record, information provided at the Level Two conference, and any other relevant documents or information the Superintendent or designee believes will help resolve the complaint.

Recordings of the Level One and Level Two conferences, if any, shall be maintained with the Level One and Level Two records.

Level Three

If the employee did not receive the relief requested at Level Two or if the time for a response has expired, the employee may appeal the decision to the Board.

The appeal notice must be filed in writing, on a form provided by the District, within ten days of the date of the written Level Two response or, if no response was received, within ten days of the Level Two response deadline.

The Superintendent or designee shall inform the employee of the date, time, and place of the Board meeting at which the complaint will be on the agenda for presentation to the Board.

The Superintendent or designee shall provide the Board the record of the Level Two appeal. The employee may request a copy of the Level Two record.

The Level Two record shall include:

1. The Level One record.
2. The notice of appeal from Level One to Level Two.
3. The written response issued at Level Two and any attachments.
4. All other documents relied upon by the administration in reaching the Level Two decision.

The appeal shall be limited to the issues and documents considered at Level Two, except that if at the Level Three hearing the administration intends to rely on evidence not included in the Level Two record, the administration shall provide the employee notice of the nature of the evidence at least three days before the hearing.

The District shall determine whether the complaint will be presented in open or closed meeting in accordance with the Texas Open Meetings Act and other applicable law. [See BE]

The presiding officer may set reasonable time limits and guidelines for the presentation, including an opportunity for the employee and administration to each make a presentation and provide rebuttal and an opportunity for questioning by the Board. The Board shall hear the complaint and may request that the administration provide an explanation for the decisions at the preceding levels.

In addition to any other record of the Board meeting required by law, the Board shall prepare a separate record of the Level Three

presentation. The Level Three presentation, including the presentation by the employee or the employee's representative, any presentation from the administration, and questions from the Board with responses, shall be recorded by audio recording, video/audio recording, or court reporter.

The Board shall then consider the complaint. It may give notice of its decision orally or in writing at any time up to and including the next regularly scheduled Board meeting. If the Board does not make a decision regarding the complaint by the end of the next regularly scheduled meeting, the lack of a response by the Board upholds the administrative decision at Level Two.

Each District employee shall perform his or her duties in accordance with state and federal law, District policy, and ethical standards. The District holds all employees accountable to the Educators' Code of Ethics. [See DH(EXHIBIT)]

Each District employee shall recognize and respect the rights of students, parents, other employees, and members of the community and shall work cooperatively with others to serve the best interests of the District.

An employee wishing to express concern, complaints, or criticism shall do so through appropriate channels. [See DGBA]

Violations of Standards of Conduct

Each employee shall comply with the standards of conduct set out in this policy and with any other policies, regulations, and guidelines that impose duties, requirements, or standards attendant to his or her status as a District employee. Violation of any policies, regulations, or guidelines, including intentionally making a false claim, offering a false statement, or refusing to cooperate with a District investigation, may result in disciplinary action, including termination of employment. [See DCD and DF series]

Weapons Prohibited

The District prohibits the use, possession, or display of any firearm, location-restricted knife, club, or prohibited weapon, as defined at FNCG, on District property at all times.

2. The circumstances under which an employee may use text messaging to communicate with individual students or student groups;
3. Hours of the day during which electronic communication is discouraged or prohibited; and
4. Other matters deemed appropriate by the Superintendent or designee.

In accordance with ethical standards applicable to all District employees [see DH(EXHIBIT)], an employee shall be prohibited from using electronic communications in a manner that constitutes prohibited harassment or abuse of a District student; adversely affects the student's learning, mental health, or safety; includes threats of violence against the student; reveals confidential information about the student; or constitutes an inappropriate communication with a student, as described in the Educators' Code of Ethics.

An employee shall have no expectation of privacy in electronic communications with students. Each employee shall comply with the District's requirements for records retention and destruction to the extent those requirements apply to electronic communication. [See CPC]

Personal Use

All employees shall be held to the same professional standards in their public use of electronic communication as for any other public conduct. Reporting Improper Communication

In accordance with administrative regulations, an employee shall notify his or her supervisor when a student engages in improper electronic communication with the employee.

Searches—General Rule

Citizens, including district employees, have a right to be free from unreasonable searches and seizures. *U.S. Const. Amendment IV; Tex. Const. Art. I, Sec. 9*

A district may search an employee or an employee's property if:

1. There are reasonable grounds to believe that the search will turn up evidence that the employee is guilty of work-related misconduct; and
2. The search is reasonably related in scope to the circumstances that justified the interference in the first place.

O'Connor v. Ortega, 480 U.S. 709 (1987); *New Jersey v. T.L.O.*, 469 U.S. 325 (1985)

In addition, a district may search an employee's workplace for non-investigatory, work-related purposes, if there are reasonable grounds to believe that the search will turn up evidence that the employee is guilty of work-related misconduct. *O'Connor v. Ortega*, 480 U.S. 709 (1987)

Drug/Alcohol Testing

Blood, urine, and breath tests of public employees to determine drug use are searches under the Fourth Amendment of the U.S. Constitution. *Skinner v. Railway Labor Executives Ass'n*, 489 U.S. 602 (1989)

Random Drug Testing

A district may conduct drug tests, without a warrant and without individualized suspicion, when the test serves special governmental needs that outweigh the individual's privacy expectation. *Skinner v. Railway Labor Executives Ass'n*, 489 U.S. 602 (1989); *Nat'l Treasury Employees Union v. Von Raab*, 489 U.S. 656 (1989)

Safety-Sensitive Positions

Random alcohol and drug testing of employees in "safety-sensitive" positions may be permissible when the intrusiveness of the search is minimal and a board is able to demonstrate that the drug-testing program furthers its interest in ensuring the physical safety of students. "Safety-sensitive" positions include those that involve the handling of potentially dangerous equipment or hazardous substances in an environment including a large number of children. *Aubrey v. Sch. Bd. of LaFayette Parish*, 148 F.3d 559 (5th Cir. 1998)

Education and
Treatment

A district is not required to provide an evaluation by a substance abuse professional or any subsequent recommended education or treatment for an employee who has violated a drug and alcohol regulation of the DOT.

However, if a district offers an employee an opportunity to return to a safety-sensitive duty following a violation, the district must, before the employee again performs that duty, ensure that the employee receives an evaluation by a substance abuse professional and that the employee successfully complies with the professional's evaluation recommendations.

49 C.F.R. 40.289

Return-to-Duty
Testing

If a district permits an employee who has violated a DOT drug and alcohol regulation to return to safety-sensitive functions, the district must ensure that the employee takes a return-to-duty test. This test cannot occur until after the substance abuse professional has determined that the employee has successfully complied with prescribed education and/or treatment. The employee must have a negative drug test result and/or an alcohol test with an alcohol concentration of less than 0.02 before resuming performance of safety-sensitive duties.

A district is not required to return an employee to safety-sensitive duties because the employee has met the conditions described in the preceding paragraph. Return-to-duty is a personnel decision that the district has the discretion to make subject to legal requirements.

49 C.F.R. 40.305(a)-(b)

Educational
Materials

A district shall provide educational materials that explain the federal requirements and the district's policies and procedures with respect to meeting the requirements. The district shall ensure that a copy of these materials is distributed to each driver before the start of alcohol and controlled substances testing under 49 C.F.R. Part 382 and to each driver subsequently hired or transferred into a position that requires driving a commercial motor vehicle. Written notice to representatives of employee organizations of the availability of this information shall also be provided. The materials shall include detailed discussion of at least the items listed at 49 C.F.R. 382.601. *49 C.F.R. 382.601*

A district required by federal safety regulations to conduct alcohol and drug testing of an employee who holds a commercial driver's license shall report the following information to the Department of Public Safety:

**Reasonable
Suspicion Searches**

The District reserves the right to conduct searches when the District has reasonable suspicion to believe that a search will uncover evidence of work-related misconduct. The District may search the employee, the employee's personal items, work areas, lockers, and private vehicles parked on District premises or worksites or used in District business. Searches that reveal a violation of the District's standards of conduct may result in disciplinary action. [See DH]

**Reasonable
Suspicion Alcohol
and Drug Testing**

The District may remove an employee from duty and require testing if there is reasonable suspicion that the employee is under the influence of alcohol or drugs used in violation of District policy. The determination of reasonable suspicion may be based on specific observations of the appearance, behavior, speech, or body odors of the employee whose motor ability, emotional equilibrium, or mental acuity seems to be impaired while on duty or other relevant information. Any employee who is asked to submit to drug or alcohol testing shall be given the opportunity to provide relevant information about prescription or nonprescription medications that may affect the screening.

A District employee who refuses to comply with a directive to submit to testing based upon reasonable suspicion shall be subject to disciplinary action, up to and including termination.

A District employee confirmed to have violated the District's policy pertaining to alcohol or drugs may be subject to disciplinary action. [See DF series and DH]

**Drug and Alcohol
Testing for Safety-
Sensitive Positions**

Under the District's own authority, random drug and alcohol testing of employees in safety-sensitive positions shall be completed to further the Board's interest in ensuring the physical safety of students.

Testing procedures shall be minimally intensive. For purposes of such testing, safety-sensitive positions shall not be limited to, but shall include, positions in which an employee:

1. Drives a District vehicle;
2. Transports students in District vehicles; and
3. Performs manual trades or handles potentially dangerous machinery or hazardous substances in an environment that may be occupied by a large number of students.

**Federally Required
DOT Testing
Program**

In accordance with DOT rules, the District shall establish an alcohol and controlled substances testing program to help prevent accidents and injuries resulting from the misuse of alcohol and controlled substances by the drivers of commercial motor vehicles, including school buses. The primary purpose of the testing program is to prevent impaired employees from performing safety-sensitive functions.

The Superintendent shall designate a District official who shall be responsible for ensuring that information is disseminated to employees covered under this testing program regarding prohibited driver conduct, alcohol and controlled substances tests, and the consequences that follow positive test results.

**Drug-Related
Violations**

The following constitute drug-related violations under the DOT rules:

1. Refusing to submit to a required test for alcohol or controlled substances.
2. Providing an adulterated, diluted, or substituted specimen on an alcohol or controlled substances test.
3. Testing positive for alcohol, at a concentration of 0.04 or above, in a post-accident test.
4. Testing positive for controlled substances in a post-accident test.
5. Testing positive for alcohol, at a concentration of 0.04 or above, in a random test.
6. Testing positive for controlled substances in a random test.
7. Testing positive for alcohol, at a concentration of 0.04 or above, in a reasonable suspicion test.
8. Testing positive for controlled substances in a reasonable suspicion test.

An employee who operates a commercial motor vehicle, including a bus, and commits a drug-related DOT violation as defined above shall not be eligible for reinstatement as a driver.

**Alcohol Results
Between 0.02 and
0.04**

In accordance with DOT rules, a driver tested under this policy and found to have an alcohol concentration of 0.02 or greater, but less than 0.04, shall be suspended from driving duties for at least 24 hours.

Reasonable
Suspicion DOT
Testing

Only supervisors specifically trained in accordance with federal regulations may, based upon reasonable suspicion, remove a driver from a safety-sensitive position and require testing for alcohol and/or controlled substances. The determination of reasonable suspicion shall be based on specific observations of the appearance, behavior, speech, or body odors of the driver whose motor ability, emotional equilibrium, or mental acuity seems to be impaired. Such observations must take place just preceding, during, or just after the period of the workday that the driver is on duty.

The observations may include indication of the chronic and withdrawal effects of controlled substances. Within 24 hours of the observed behavior, the supervisor shall provide a signed, written record documenting the observations leading to a controlled substance reasonable suspicion test.

An employee violates District policy if he or she tests positive for alcohol at a concentration of 0.02 or greater.

In addition to the consequences established by federal law, a District employee confirmed to have violated the District's policy pertaining to alcohol or controlled substances shall be subject to District-imposed discipline, as determined by his or her supervisor and the Superintendent. Such discipline may include any appropriate action from suspension without pay during the period of removal from safety-sensitive functions, up to and including termination of employment. [See DF series]

In cases where a driver is also employed in a nondriving capacity by the District, disciplinary action imposed for violation of alcohol and controlled substances policies shall apply to the employee's functions and duties that involve driving. Additionally, upon recommendation of the employee's supervisor, disciplinary measures up to and including termination of employment with the District may be considered.

**Hazard
Communication Act**

A district shall perform the following duties in compliance with the Hazard Communication Act:

| Education and Training | 2. Provide an education and training program for employees who use or handle hazardous chemicals. "Employee" means a person who may be or may have been exposed to hazardous chemicals in the person's workplace under normal operating conditions or foreseeable emergencies. Workers such as office workers or accountants who encounter hazardous chemicals only in nonroutine, isolated instances are not employees for purposes of these requirements. <i>Health and Safety Code 502.003(10), .009</i>

3. Keep the written hazard communication program and a record of each training session given to employees, including the date, a roster of the employees who attended, the subjects covered in the training session, and the names of the instructors. Records shall be maintained for at least five years. <i>Health and Safety Code 502.009(g)</i> |
| Workplace Chemical List | 4. Compile and maintain a workplace chemical list that contains required information for each hazardous chemical normally present in the workplace or temporary workplace in excess of 55 gallons or 500 pounds, or as determined by the executive commissioner of the Health and Human Services Commission for certain highly toxic or dangerous hazardous chemicals. The list must be readily available to employees and their representatives. All employees shall be made aware of the list before working with or in a work area containing hazardous chemicals. <i>Health and Safety Code 502.005(a), (c)</i>

5. Update the list as necessary, but at least by December 31 of each year, and maintain the list for at least 30 years. Each workplace chemical list shall be dated and signed by the person responsible for compiling the information. <i>Health and Safety Code 502.005(b), (d)</i> |
| Safety Data Sheets | 6. Maintain a legible copy of the most current manufacturer's safety data sheets (SDS) for each hazardous chemical. If the district does not have a current SDS for a hazardous chemical when the chemical is received, the district shall request an SDS in writing from the manufacturer or distributor in a timely manner or otherwise obtain a current SDS. Safety data sheets shall be readily available, on request, for review by |

employees or designated representatives at each workplace.

Labeling

A label on an existing container of a hazardous chemical may not be removed or defaced unless it is illegible, inaccurate, or does not conform to the OSHA standard or other applicable labeling requirement. Primary and secondary containers must be relabeled in accordance with Health and Safety Code 502.007(a). An employee may not be required to work with a hazardous chemical from an unlabeled container except for a portable container intended for the immediate use of the employee who performs the transfer. *Health and Safety Code 502.007*

**Pest Control
Treatment Notice**

The chief administrator or building manager shall notify persons who work in a district building of an indoor pest control treatment by:

1. Posting the sign made available by the certified applicator or technician in an area of common access that the persons are likely to check on a regular basis at least 48 hours before each planned treatment; and
2. Providing the pest control information sheet made available by the certified applicator or technician to a person working in the building on request.

Unpaid Interns

A district commits an unlawful employment practice if sexual harassment of an unpaid intern occurs and the district or its agents or supervisors know or should have known that the conduct constituting sexual harassment was occurring, and fail to take immediate and appropriate corrective action. *Labor Code 21.1065*

National Origin

Ethnic slurs and other verbal or physical conduct relating to an individual's national origin constitute harassment when this conduct:

3. Otherwise adversely affects an individual's employment opportunities.

Severe and
Pervasive

Harassment violates Title VII if it is sufficiently severe and pervasive to alter the conditions of employment. *Pennsylvania State Police v. Suders, 542 U.S. 129 (2004)*

Title VII does not prohibit all verbal and physical harassment in the workplace. For example, harassment between men and women is not automatically unlawful sexual harassment merely because the words used have sexual content or connotations. *Oncale v. Prevention

A district should take all steps necessary to prevent unlawful harassment from occurring, such as affirmatively raising the subject, expressing strong disapproval, developing appropriate penalties, informing employees of their right to raise and how to raise the issue of harassment under Title VII, and developing methods to sensitize all concerned. *29 C.F.R. 1604.11(f)*

When no tangible employment action is taken, a district may raise the following affirmative defense:

1. That the district exercised reasonable care to prevent and promptly correct any harassing behavior; and
2. That the employee unreasonably failed to take advantage of any preventive or corrective opportunities provided by the employer or to avoid harm otherwise.

Burlington Industries, Inc. v. Ellerth, 524 U.S. 742 (1998); Faragher v. City of Boca Raton, 524 U.S. 775 (1998)

Religious Discrimination

The prohibition against discrimination on the basis of religion includes all aspects of religious observances and practice, as well as religious belief, unless a district demonstrates that it is unable to reasonably accommodate an employee's or prospective employee's religious observance or practice without undue hardship to the district's business. "Undue hardship" means more than a *de minimus* (minimal) cost. *42 U.S.C. 2000e(j); 29 C.F.R. 1605.2; Labor Code 21.108*

Burden on Free Exercise

A district may not substantially burden an employee's free exercise of religion, unless the burden is in furtherance of a compelling governmental interest and is the least restrictive means of furthering that interest. *Civ. Prac. & Rem. Code 110.003*

Sex Discrimination

Pregnancy

The prohibition against discrimination because of sex includes discrimination on the basis of pregnancy, childbirth, or related medical conditions. A district shall treat women affected by pregnancy, childbirth, or related medical conditions the same as other employees for all employment-related purposes, including receipt of benefits under fringe benefit programs. *42 U.S.C. 2000e(k); 29 C.F.R. 1604.10; Labor Code 21.106*

Age Discrimination The prohibition against discrimination on the basis of age applies only to discrimination against an individual 40 years of age or older. *29 U.S.C. 631; Labor Code 21.101*

Bona Fide Employee Benefit Plan A district may take an employment action on the basis of age pursuant to a bona fide seniority system or a bona fide employee benefit plan. However, a bona fide employee benefit plan shall not excuse the failure to hire any individual and no such benefit plan shall require or permit the involuntary retirement of any individual because of age. *29 U.S.C. 623(f); Labor Code 21.102*

Disability Discrimination A district may not discriminate against a qualified individual on the basis of disability in job application procedures, hiring, advancement, or discharge of employees, compensation, job training, and other terms, conditions, and privileges of employment. *42 U.S.C. 12112(a); 29 C.F.R. 1630.4(b); Labor Code 21.051*

Discrimination Based on Lack of Disability The ADA and the TCHRA do not provide a basis for a claim that an individual was subject to discrimination because of the individual's lack of disability. *42 U.S.C. 12201(g); 29 C.F.R. 1630.4(b); Labor Code 21.005(c)*

Definition of Disability "Disability" means:

1. An actual disability: a physical or mental impairment [see definition, below] that substantially limits one or more of an individual's major life activities;
2. A record of having such an impairment; or
3. Being regarded as having such an impairment.

An impairment that substantially limits one major life activity need not limit other major life activities in order to be considered a disability. An impairment that is episodic or in remission is a disability if it would substantially limit a major life activity when active.

"Regarded as" Having an Impairment An individual meets the requirement of being "regarded as" having an impairment if the individual establishes that he or she has been subjected to an action prohibited by the ADA because of an actual or perceived physical or mental impairment whether or not the impairment limits or is perceived to limit a major life activity.

Transitory and Minor The "regarded as" prong of the definition does not apply to impairments that are transitory or minor. A transitory impairment is one

with an actual or expected duration of six months or less. The “transitory” exception does not apply to the “actual disability” or “record of disability” prongs of the definition.

*Mitigating
Measures*

The determination of whether an impairment substantially limits a major life activity shall be made without regard to the ameliorative effects of mitigating measures, such as medication, medical supplies, low-vision devices, prosthetics, hearing aids, mobility devices, oxygen therapy, assistive technology, or learned behavioral or adaptive neurological modifications.

The ameliorative effects of ordinary eyeglasses or contact lenses shall be considered in determining whether an impairment substantially limits a major life activity. Ordinary eyeglasses and contact lenses are lenses that are intended to fully correct visual acuity or to eliminate refractive error.

- Consider the complainant's wishes with respect to supportive measures; and
- Explain to the complainant the option and process for filing a formal complaint.

The District's response to sexual harassment shall treat complainants and respondents equitably by offering supportive measures to both parties, as appropriate, and by following the Title IX formal complaint process before imposing disciplinary sanctions or other actions that are not supportive measures against a respondent.

If a formal complaint is not filed, the District reserves the right to investigate and respond to prohibited conduct in accordance with Board policies and administrative procedures.

Title IX Formal
Complaint Process

In compliance with Title IX regulations, the District's Title IX formal complaint process shall address the following basic requirements:

1. Equitable treatment of complainants and respondents;
2. An objective evaluation of all relevant evidence;
3. A requirement that the Title IX coordinator, investigator, decision-maker, or any person designated to facilitate an informal resolution process not have a conflict of interest or bias;

**Reporting Child
Abuse and Neglect**

Any person who has cause to believe that a child's physical or mental health or welfare has been adversely affected by abuse or neglect has a legal responsibility, under state law, to immediately report the suspected abuse or neglect to an appropriate authority.

As defined in state law, child abuse and neglect include both sex and labor trafficking of a child.

The following individuals have an additional legal obligation to submit a written or oral report within 48 hours of learning of the facts giving rise to the suspicion of abuse or neglect:

1. Any District employee, agent, or contractor who suspects a child's physical or mental health or welfare has been adversely affected by abuse or neglect.
2. A professional who has cause to believe that a child has been or may be abused or neglected or may have been a victim of indecency with a child. A professional is anyone licensed or certified by the state who has direct contact with children in the normal course of duties for which the individual is licensed or certified.

A person is required to make a report if the person has cause to believe that an adult was a victim of abuse or neglect as a child

and the person determines in good faith that disclosure of the information is necessary to protect the health and safety of another child or an elderly or disabled person.

[For parental notification requirements regarding an allegation of educator misconduct with a student, see FFF.]

Restrictions on Reporting

In accordance with law, an employee is prohibited from using or threatening to use a parent's refusal to consent to administration of a psychotropic drug or to any other psychiatric or psychological testing or treatment of a child as the sole basis for making a report of neglect, unless the employee has cause to believe that the refusal:

1. Presents a substantial risk of death, disfigurement, or bodily injury to the child; or
2. Has resulted in an observable and material impairment to the growth, development, or functioning of the child.

Making a Report

Reports may be made to any of the following:

1. A state or local law enforcement agency;
2. The Child Protective Services (CPS) division of the Texas Department of Family and Protective Services (DFPS) at (800) 252-5400 or the [Texas Abuse Hotline Website](#)¹;
3. A local CPS office; or
4. If applicable, the state agency operating, licensing, certifying, or registering the facility in which the suspected abuse or neglect occurred.

However, if the suspected abuse or neglect involves a person responsible for the care, custody, or welfare of the child, the report must be made to DFPS, unless the report is to the state agency that operates, licenses, certifies, or registers the facility where the suspected abuse or neglect took place; or the report is to the Texas Juvenile Justice Department as a report of suspected abuse or neglect in a juvenile justice program or facility.

An individual does not fulfill his or her responsibilities under the law by only reporting suspicion of abuse or neglect to a campus principal, school counselor, or another District staff member. Furthermore, the District is prohibited from requiring an employee to first report his or her suspicion to a District or campus administrator.

Confidentiality

In accordance with state law, the identity of a person making a report of suspected child abuse or neglect shall be kept confidential

and disclosed only in accordance with the rules of the investigating agency.

Immunity

A person who in good faith reports or assists in the investigation of a report of child abuse or neglect is immune from civil or criminal liability.

Failing to Report Suspected Child Abuse or Neglect

By failing to report suspicion of child abuse or neglect, an employee:

1. May be placing a child at risk of continued abuse or neglect;
2. Violates the law and may be subject to legal penalties, including criminal sanctions for knowingly failing to make a required report;
3. Violates Board policy and may be subject to disciplinary action, including possible termination of employment; and
4. May have his or her certification from the State Board for Educator Certification suspended, revoked, or canceled in accordance with 19 Administrative Code Chapter 249.

It is a criminal offense to coerce someone into suppressing or failing to report child abuse or neglect.

Responsibilities Regarding Investigations

In accordance with law, District officials shall be prohibited from:

1. Denying an investigator's request to interview a child at school in connection with an investigation of child abuse or neglect;
2. Requiring that a parent or school employee be present during the interview; or

Sexual Harassment

A district may develop and implement a sexual harassment policy to be included in the district improvement plan. *Education Code 37.083 [See BQ]*

Sexual abuse of a student by an employee, when there is a connection between the physical sexual activity and the employee's duties and obligations as a district employee, violates a student's constitutional right to bodily integrity. Sexual abuse may include fondling, sexual assault, or sexual intercourse. *U.S. Const. Amend. 14; Doe v. Taylor Indep. Sch. Dist., 15 F.3d 443 (5th Cir. 1994)*

A district's treatment of a complainant or a respondent in response to a formal complaint of sexual harassment may constitute discrimination on the basis of sex under Title IX. *34 C.F.R. 106.45; 20 U.S.C. 1681 [See also FB regarding Title IX]*

Designation of
Title IX Coordinator

A district must designate and authorize at least one employee to coordinate its efforts to comply with its responsibilities under Title IX, which employee must be referred to as the "Title IX Coordinator."

STUDENT WELFARE
FREEDOM FROM DISCRIMINATION, HARASSMENT, AND RETALIATION

FFH
(LEGAL)

Parties Entitled to Notice The district must notify applicants for admission and employment, students, parents or legal guardians, employees, and all professional organizations holding professional agreements with the district ("Parties Entitled to Notice") of the name or title, office address, electronic mail address, and telephone number of the employee or employees designated as the Title IX Coordinator.

34 C.F.R. 106.8(a)

Reporting Any person may report sex discrimination, including sexual harassment (whether or not the person reporting is the person alleged to be the victim of conduct that could constitute sex discrimination or sexual harassment), in person, by mail, by telephone, or by electronic mail, using the contact information listed for the Title IX Coordinator, or by any other means that results in the Title IX Coordinator receiving the person's verbal or written report. Such a report may be made at any time (including during nonbusiness hours) by using the telephone number or electronic mail address, or by mail to the office address, listed for the Title IX Coordinator.

Notification of Policy A district must notify the Parties Entitled to Notice, above, that the district does not discriminate on the basis of sex in the education program or activity that it operates, and that it is required by Title IX not to discriminate in such a manner. The notification must state that the requirement not to discriminate in the education program or activity extends to employment, and that inquiries about the application of Title IX to such district may be referred to the district's Title IX Coordinator, to the assistant secretary for civil rights of the Department of Education, or both.

34 C.F.R. 106.2(d), .8(b)(1)

Publication Requirements A district must prominently display the contact information required to be listed for the Title IX Coordinator and the nondiscrimination policy described at Notification of Policy, above, on its website, if any, and in each handbook that it makes available to the Parties Entitled to Notice, above.

A district must not use or distribute a publication stating that the district treats applicants, students, or employees differently on the basis of sex except as such treatment is permitted by Title IX.

34 C.F.R. 106.8(b)(2)

Note: To distinguish the process described below from the District's general grievance policies [see DGBA, FNG, and GF], this policy refers to the grievance process required by Title IX regulations for responding to formal complaints of sexual harassment as the District's "Title IX formal complaint process."

Complaint
Procedures

A district must adopt and publish procedures that provide for the prompt and equitable resolution of student and employee complaints alleging any action that would be prohibited by Title IX and a Title IX formal complaint process that complies with 34 C.F.R. 106.45 for formal complaints as defined below.

A district must provide notice to the Parties Entitled to Notice, above, of the district's procedures and Title IX formal complaint process, including how to report or file a complaint of sex discrimination, how to report or file a formal complaint of sexual harassment, and how the district will respond.

The requirements of this provision apply only to sex discrimination occurring against a person in the United States.

34 C.F.R. 106.8(c)–(d)

Response to Sexual
Harassment
Definitions

"Actual knowledge" means notice of sexual harassment or allegations of sexual harassment to a district's Title IX Coordinator or any official of the district who has authority to institute corrective measures on behalf of the district, or to any employee of an elementary and secondary school. Imputation of knowledge based solely on vicarious liability or constructive notice is insufficient to constitute actual knowledge. This standard is not met when the only official of the district with actual knowledge is the respondent. The mere ability or obligation to report sexual harassment or to inform a student about how to report sexual harassment, or having been trained to do so, does not qualify an individual as one who has authority to institute corrective measures on behalf of the district. "Notice" as used in this paragraph includes, but is not limited to, a report of sexual harassment to the Title IX Coordinator.

"Complainant" means an individual who is alleged to be the victim of conduct that could constitute sexual harassment.

"Consent" is not defined by the Title IX regulations, nor do the regulations require districts to adopt a particular definition of consent with respect to sexual assault.

"Formal complaint" means a document filed by a complainant or signed by the Title IX Coordinator alleging sexual harassment

against a respondent and requesting that the district investigate the allegation of sexual harassment. At the time of filing a formal complaint, a complainant must be participating in or attempting to participate in the education program or activity of the district with which the formal complaint is filed. A formal complaint may be filed with the Title IX Coordinator in person, by mail, or by electronic mail, by using the contact information required to be listed for the Title IX Coordinator, and by any additional method designated by the district. As used in this paragraph, the phrase “document filed by a complainant” means a document or electronic submission (such as by electronic mail or through an online portal provided for this purpose by the district) that contains the complainant’s physical or digital signature, or otherwise indicates that the complainant is the person filing the formal complaint. Where the Title IX Coordinator signs a formal complaint, the Title IX Coordinator is not a complainant or otherwise a party to a Title IX formal complaint, and must comply with the requirements of the Title IX formal complaint process, including the informal resolution process.

“Respondent” means an individual who has been reported to be the perpetrator of conduct that could constitute sexual harassment.

“Sexual harassment” means conduct on the basis of sex that satisfies one or more of the following:

1. An employee of the district conditioning the provision of an aid, benefit, or service of the district on an individual’s participation in unwelcome sexual conduct;
2. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the district’s education program or activity; or
3. “Sexual assault” as defined in 20 U.S.C. 1092(f)(6)(A)(v), “dating violence” as defined in 34 U.S.C. 12291(a)(10), “domestic violence” as defined in 34 U.S.C. 12291(a)(8), or “stalking” as defined in 34 U.S.C. 12291(a)(30).

“Supportive measures” means nondisciplinary, nonpunitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the complainant or the respondent before or after the filing of a formal complaint or where no formal complaint has been filed. Such measures are designed to restore or preserve equal access to the district’s education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the district’s educational environment, or deter sexual harassment. Supportive measures may include counseling, extensions of deadlines

or other course-related adjustments, modifications of work or class schedules, campus escort services, mutual restrictions on contact between the parties, changes in work or district-provided housing locations, leaves of absence, increased security and monitoring of certain areas of the campus, and other similar measures. The district must maintain as confidential any supportive measures provided to the complainant or respondent, to the extent that maintaining such confidentiality would not impair the ability of the district to provide the supportive measures. The Title IX Coordinator is responsible for coordinating the effective implementation of supportive measures.

34 C.F.R. 106.2, .30(a)

*Deliberate
Indifference*

A district with actual knowledge of sexual harassment in an education program or activity of the district against a person in the United States, must respond promptly in a manner that is not deliberately indifferent. A district is deliberately indifferent only if its response to sexual harassment is clearly unreasonable in light of the known circumstances.

*Education
Program or
Activity*

For the purposes of 34 C.F.R. 106.30 [see Definitions, above] and 106.45 [see Process for Title IX Formal Complaint, below], “education program or activity” includes locations, events, or circumstances over which the district exercised substantial control over both the respondent and the context in which the sexual harassment occurs.

34 C.F.R. 106.44(a)

*Title IX Coordinator
Response*

The Title IX Coordinator must promptly contact the complainant to discuss the availability of supportive measures, consider the complainant’s wishes with respect to supportive measures, inform the complainant of the availability of supportive measures with or without the filing of a formal complaint, and explain to the complainant the process for filing a formal complaint. The Title IX Coordinator must respond in this manner with or without a formal complaint. *34 C.F.R. 106.44(b)(1)*

*Supportive
Measures
Required*

A district’s response must treat complainants and respondents equitably by offering supportive measures and by following a process that complies with 34 C.F.R. 106.45 [see Process for Title IX Formal Complaint, below] before the imposition of any disciplinary sanctions or other actions that are not supportive measures against a respondent. [For Emergency Removal procedures, see below.]

*Constitutional
Restrictions*

The Department of Education may not deem a district to have satisfied the district’s duty to not be deliberately indifferent under Title

IX based on the district's restriction of rights protected under the U.S. Constitution, including the First Amendment, Fifth Amendment, and Fourteenth Amendment.

34 C.F.R. 106.44(a)

*Response to a
Formal Complaint*

In response to a formal complaint, a district must follow a process that complies with 34 C.F.R. 106.45 [see Process for Title IX Formal Complaint, below]. *34 C.F.R. 106.44(b)(1)*

*Emergency
Removal*

The Title IX regulations do not preclude a district from removing a respondent from the district's education program or activity on an emergency basis, provided that the district:

1. Undertakes an individualized safety and risk analysis;
2. Determines that an immediate threat to the physical health or safety of any student or other individual arising from the allegations of sexual harassment justifies removal; and
3. Provides the respondent with notice and an opportunity to challenge the decision immediately following the removal.

This provision may not be construed to modify any rights under the Individuals with Disabilities Education Act, Section 504 of the Rehabilitation Act of 1973, or the Americans with Disabilities Act.

34 C.F.R. 106.44(c)

*Administrative
Leave*

The Title IX regulations do not preclude a district from placing a nonstudent employee respondent on administrative leave during the pendency of a Title IX formal complaint. This provision may not be construed to modify any rights under Section 504 of the Rehabilitation Act of 1973 or the Americans with Disabilities Act. *34 C.F.R. 106.44(d)*

Process for Title IX
Formal Complaint

For the purpose of addressing formal complaints of sexual harassment, a district's process must comply with the following requirements. Any provisions, rules, or practices other than those required by this provision that a district adopts as part of its process for handling formal complaints of sexual harassment must apply equally to both parties. *34 C.F.R. 106.45(b)*

A district's Title IX formal complaint process must:

1. Treat complainants and respondents equitably by providing remedies to a complainant where a determination of responsibility for sexual harassment has been made against the respondent, and by following a process that complies with the Title IX regulations before the imposition of any disciplinary sanctions or other actions that are not supportive measures

against a respondent. Remedies must be designed to restore or preserve equal access to the district's education program or activity. Such remedies may include the same individualized services described as supportive measures; however, remedies need not be nondisciplinary or nonpunitive and need not avoid burdening the respondent;

2. Require an objective evaluation of all relevant evidence—including both inculpatory and exculpatory evidence—and provide that credibility determinations may not be based on a person's status as a complainant, respondent, or witness;
3. Require that any individual designated by a district as a Title IX Coordinator, investigator, decision-maker, or any person designated by a district to facilitate an informal resolution process, not have a conflict of interest or bias for or against complainants or respondents generally or an individual complainant or respondent. A district must ensure that Title IX Coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process, receive training on the definition of sexual harassment, the scope of the district's education program or activity, how to conduct an investigation and Title IX formal complaint process including hearings, appeals, and informal resolution processes, as applicable, and how to serve impartially, including by avoiding prejudgment of the facts at issue, conflicts of interest, and bias. A district must ensure that decision-makers receive training on any technology to be used at a live hearing, if any, and on issues of relevance of questions and evidence, including when questions and evidence about the complainant's sexual predisposition or prior sexual behavior are not relevant. [See Hearings, below] A district also must ensure that investigators receive training on issues of relevance to create an investigative report that fairly summarizes relevant evidence. [See Investigation of a Formal Complaint, below] Any materials used to train Title IX Coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process, must not rely on sex stereotypes and must promote impartial investigations and adjudications of formal complaints of sexual harassment;
4. Include a presumption that the respondent is not responsible for the alleged conduct until a determination regarding responsibility is made at the conclusion of the Title IX formal complaint process;
5. Include reasonably prompt time frames for conclusion of the Title IX formal complaint process, including reasonably

prompt time frames for filing and resolving appeals and informal resolution processes if the district offers informal resolution processes, and a process that allows for the temporary delay of the Title IX formal complaint process or the limited extension of time frames for good cause with written notice to the complainant and the respondent of the delay or extension and the reasons for the action. Good cause may include considerations such as the absence of a party, a party's advisor, or a witness; concurrent law enforcement activity; or the need for language assistance or accommodation of disabilities;

6. Describe the range of possible disciplinary sanctions and remedies or list the possible disciplinary sanctions and remedies that the district may implement following any determination of responsibility;
7. State whether the standard of evidence to be used to determine responsibility is the preponderance of the evidence standard or the clear and convincing evidence standard, apply the same standard of evidence for formal complaints against students as for formal complaints against employees, including faculty, and apply the same standard of evidence to all formal complaints of sexual harassment;
8. Include the procedures and permissible bases for the complainant and respondent to appeal;
9. Describe the range of supportive measures available to complainants and respondents; and
10. Not require, allow, rely upon, or otherwise use questions or evidence that constitute, or seek disclosure of, information protected under a legally recognized privilege, unless the person holding such privilege has waived the privilege.

34 C.F.R. 106.45(b)(1)

*Notice of
Allegations*

Upon receipt of a formal complaint, a district must provide the following written notice to the parties who are known:

1. Notice of the district's Title IX formal complaint process, including any informal resolution process.
2. Notice of the allegations of sexual harassment potentially constituting sexual harassment, including sufficient details known at the time and with sufficient time to prepare a response before any initial interview. Sufficient details include:
 - a. The identities of the parties involved in the incident, if known;

- b. The conduct allegedly constituting sexual harassment;
and
- c. The date and location of the alleged incident, if known.

The written notice must include a statement that the respondent is presumed not responsible for the alleged conduct and that a determination regarding responsibility is made at the conclusion of the Title IX formal complaint process. The written notice must inform the parties that they may have an advisor of their choice, who may be, but is not required to be, an attorney and may inspect and review evidence [see Investigation of a Formal Complaint, below]. The written notice must inform the parties of any provision in the district's code of conduct that prohibits knowingly making false statements or knowingly submitting false information during the Title IX formal complaint process.

If, in the course of an investigation, the district decides to investigate allegations about the complainant or respondent that are not included in the Notice of Allegations, above, the district must provide notice of the additional allegations to the parties whose identities are known.

34 C.F.R. 106.45(b)(2)

*Dismissal of a
Formal Complaint*

The district must investigate the allegations in a formal complaint. If the conduct alleged in the formal complaint would not constitute sexual harassment even if proved, did not occur in the district's education program or activity, or did not occur against a person in the United States, then the district must dismiss the formal complaint with regard to that conduct for purposes of sexual harassment under Title IX; such a dismissal does not preclude action under another provision of the district's code of conduct.

The district may dismiss the formal complaint or any allegations therein, if at any time during the investigation or hearing: a complainant notifies the Title IX Coordinator in writing that the complainant would like to withdraw the formal complaint or any allegations therein; the respondent is no longer enrolled or employed by the district; or specific circumstances prevent the district from gathering evidence sufficient to reach a determination as to the formal complaint or allegations therein.

Upon a dismissal required or permitted pursuant to 34 C.F.R. 106.45(b)(3), the district must promptly send written notice of the dismissal and reason(s) therefor simultaneously to the parties.

*Consolidation of
Formal
Complaints*

A district may consolidate formal complaints as to allegations of sexual harassment against more than one respondent, or by more than one complainant against one or more respondents, or by one party against the other party, where the allegations of sexual harassment arise out of the same facts or circumstances. Where a Title IX formal complaint process involves more than one complainant or more than one respondent, references in this provision to the singular “party,” “complainant,” or “respondent” include the plural, as applicable.

34 C.F.R. 106.45(b)(3)–(4)

*Investigation of a
Formal Complaint*

When investigating a formal complaint and throughout the Title IX formal complaint process, a district must:

1. Ensure that the burden of proof and the burden of gathering evidence sufficient to reach a determination regarding responsibility rest on the district and not on the parties provided that the district cannot access, consider, disclose, or otherwise use a party’s records that are made or maintained by a physician, psychiatrist, psychologist, or other recognized professional or paraprofessional acting in the professional’s or paraprofessional’s capacity, or assisting in that capacity, and which are made and maintained in connection with the provision of treatment to the party, unless the district obtains that party’s voluntary, written consent to do so for a Title IX formal complaint (if a party is not an “eligible student,” as defined in 34 C.F.R. 99.3 then the district must obtain the voluntary, written consent of a “parent,” as defined in 34 C.F.R. 99.3) [see FL(LEGAL) at Education Records];
2. Provide an equal opportunity for the parties to present witnesses, including fact and expert witnesses, and other inculpatory and exculpatory evidence;
3. Not restrict the ability of either party to discuss the allegations under investigation or to gather and present relevant evidence;
4. Provide the parties with the same opportunities to have others present during any Title IX formal complaint proceeding, including the opportunity to be accompanied to any related meeting or proceeding by the advisor of their choice, who may be, but is not required to be, an attorney, and not limit the choice or presence of advisor for either the complainant or respondent in any meeting or Title IX formal complaint proceeding; however, the district may establish restrictions regarding

the extent to which the advisor may participate in the proceedings, as long as the restrictions apply equally to both parties;

5. Provide, to a party whose participation is invited or expected, written notice of the date, time, location, participants, and purpose of all hearings, investigative interviews, or other meetings, with sufficient time for the party to prepare to participate;
6. Provide both parties an equal opportunity to inspect and review any evidence obtained as part of the investigation that is directly related to the allegations raised in a formal complaint, including the evidence upon which the district does not intend to rely in reaching a determination regarding responsibility and inculpatory or exculpatory evidence whether obtained from a party or other source, so that each party can meaningfully respond to the evidence prior to conclusion of the investigation. Prior to completion of the investigative report, the district must send to each party and the party's advisor, if any, the evidence subject to inspection and review in an electronic format or a hard copy, and the parties must have at least ten days to submit a written response, which the investigator will consider prior to completion of the investigative report. The district must make all such evidence subject to the parties' inspection and review available at any hearing to give each party equal opportunity to refer to such evidence during the hearing, including for purposes of cross-examination; and
7. Create an investigative report that fairly summarizes relevant evidence and, at least ten days prior to a hearing (if a hearing is required or otherwise provided) or other time of determination regarding responsibility, send to each party and the party's advisor, if any, the investigative report in an electronic format or a hard copy, for their review and written response.

34 C.F.R. 106.45(b)(5)

Hearings

The district's Title IX formal complaint process may, but need not, provide for a hearing. With or without a hearing, after the district has sent the investigative report to the parties pursuant to 34 C.F.R. 106.45(b)(5)(vii) [see Investigation of a Formal Complaint, above] and before reaching a determination regarding responsibility, the decision-maker(s) must afford each party the opportunity to submit written, relevant questions that a party wants asked of any party or witness, provide each party with the answers, and allow for additional, limited follow-up questions from each party. With or without a hearing, questions and evidence about the complainant's sexual predisposition or prior sexual behavior are not relevant, unless such questions and evidence about the complainant's prior

sexual behavior are offered to prove that someone other than the respondent committed the conduct alleged by the complainant, or if the questions and evidence concern specific incidents of the complainant's prior sexual behavior with respect to the respondent and are offered to prove consent. The decision-maker(s) must explain to the party proposing the questions any decision to exclude a question as not relevant. *34 C.F.R. 106.45(b)(6)(ii)*

*Determination
Regarding
Responsibility*

The decision-maker(s), who cannot be the same person(s) as the Title IX Coordinator or the investigator(s), must issue a written determination regarding responsibility. To reach this determination, the district must apply the standard of evidence described at Process for Title IX Formal Complaint, above.

The written determination must include:

1. Identification of the allegations potentially constituting sexual harassment;
2. A description of the procedural steps taken from the receipt of the formal complaint through the determination, including any notifications to the parties, interviews with parties and witnesses, site visits, methods used to gather other evidence, and hearings held;
3. Findings of fact supporting the determination;
4. Conclusions regarding the application of the district's code of conduct to the facts;
5. A statement of, and rationale for, the result as to each allegation, including a determination regarding responsibility, any disciplinary sanctions the district imposes on the respondent, and whether remedies designed to restore or preserve equal access to the district's education program or activity will be provided by the district to the complainant; and
6. The district's procedures and permissible bases for the complainant and respondent to appeal.

The district must provide the written determination to the parties simultaneously. The determination regarding responsibility becomes final either on the date that the district provides the parties with the written determination of the result of the appeal, if an appeal is filed, or if an appeal is not filed, the date on which an appeal would no longer be considered timely.

34 C.F.R. 106.45(b)(7)(i)-(ii)

*Implementation
of Remedies*

The Title IX Coordinator is responsible for effective implementation of any remedies. *34 C.F.R. 106.45(b)(7)(iv)*

Appeals

A district must offer both parties an appeal from a determination regarding responsibility, and from a district's dismissal of a formal complaint or any allegations therein, on the following bases:

1. Procedural irregularity that affected the outcome of the matter;
2. New evidence that was not reasonably available at the time the determination regarding responsibility or dismissal was made, that could affect the outcome of the matter; and
3. The Title IX Coordinator, investigator(s), or decision-maker(s) had a conflict of interest or bias for or against complainants or respondents generally or the individual complainant or respondent that affected the outcome of the matter.

A district may offer an appeal equally to both parties on additional bases.

As to all appeals, the district must:

1. Notify the other party in writing when an appeal is filed and implement appeal procedures equally for both parties;
2. Ensure that the decision-maker(s) for the appeal is not the same person as the decision-maker(s) that reached the determination regarding responsibility or dismissal, the investigator(s), or the Title IX Coordinator;
3. Ensure that the decision-maker(s) for the appeal complies with the standards in the Title IX regulations regarding conflict of interest and bias [see Process for Formal Title IX Complaint, item 3, above];
4. Give both parties a reasonable, equal opportunity to submit a written statement in support of, or challenging, the outcome;
5. Issue a written decision describing the result of the appeal and the rationale for the result; and
6. Provide the written decision simultaneously to both parties.

34 C.F.R. 106.45(b)(8)

*Informal
Resolution*

A district may not require as a condition of enrollment or continuing enrollment, or employment or continuing employment, or enjoyment of any other right, waiver of the right to an investigation and adjudication of formal complaints of sexual harassment consistent

with Title IX. Similarly, a district may not require the parties to participate in an informal resolution process and may not offer an informal resolution process unless a formal complaint is filed. However, at any time prior to reaching a determination regarding responsibility the district may facilitate an informal resolution process, such as mediation, that does not involve a full investigation and adjudication, provided that the district:

1. Provides to the parties a written notice disclosing:
 - a. The allegations;
 - b. The requirements of the informal resolution process including the circumstances under which it precludes the parties from resuming a formal complaint arising from the same allegations, provided, however, that at any time prior to agreeing to a resolution, any party has the right to withdraw from the informal resolution process and resume the Title IX formal complaint process with respect to the formal complaint; and
 - c. Any consequences resulting from participating in the informal resolution process, including the records that will be maintained or could be shared;
2. Obtains the parties' voluntary, written consent to the informal resolution process; and
3. Does not offer or facilitate an informal resolution process to resolve allegations that an employee sexually harassed a student.

34 C.F.R. 106.45(b)(9)

Recordkeeping

A district must maintain for a period of seven years records of:

1. Each sexual harassment investigation including any determination regarding responsibility, any disciplinary sanctions imposed on the respondent, and any remedies provided to the complainant designed to restore or preserve equal access to the district's education program or activity;
2. Any appeal and the result therefrom;
3. Any informal resolution and the result therefrom; and
4. All materials used to train Title IX Coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process. A district must make these training materials publicly available on its website or if the district does not maintain a website the district must make these materials

available upon request for inspection by members of the public.

For each response required under Title IX Coordinator Response, above, a district must create, and maintain for a period of seven years, records of any actions, including any supportive measures, taken in response to a report or formal complaint of sexual harassment. In each instance, the district must document the basis for its conclusion that its response was not deliberately indifferent, and document that it has taken measures designed to restore or preserve equal access to the district's education program or activity.

If a district does not provide a complainant with supportive measures, then the district must document the reasons why such a response was not clearly unreasonable in light of the known circumstances. The documentation of certain bases or measures does not limit the district in the future from providing additional explanations or detailing additional measures taken.

34 C.F.R. 106.45(b)(10)

Retaliation
Prohibited

No district or other person may intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by Title IX, or because the individual has made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under Title IX.

Intimidation, threats, coercion, or discrimination, including charges against an individual for code of conduct violations that do not involve sex discrimination or sexual harassment, but arise out of the same facts or circumstances as a report or complaint of sex discrimination, or a report or formal complaint of sexual harassment, for the purpose of interfering with any right or privilege secured by Title IX, constitutes retaliation.

Complaints alleging retaliation may be filed according to the Process for Title IX Formal Complaint above.

The exercise of rights protected under the First Amendment does not constitute retaliation prohibited by Title IX.

Charging an individual with a code of conduct violation for making a materially false statement in bad faith in the course of a Title IX formal complaint proceeding does not constitute retaliation prohibited by Title IX, provided, however, that a determination regarding responsibility, alone, is not sufficient to conclude that any party made a materially false statement in bad faith.

34 C.F.R. 106.71(a)-(b)

Confidentiality

The district must keep confidential the identity of any individual who has made a report or complaint of sex discrimination, including any individual who has made a report or filed a formal complaint of sexual harassment, any complainant, any individual who has been reported to be the perpetrator of sex discrimination, any respondent, and any witness, except as may be permitted by the Family Educational Rights and Privacy Act (FERPA) statute, 20 U.S.C. 1232g, or FERPA regulations, 34 C.F.R. Part 99, or as required by law, or to carry out the purposes of 34 C.F.R. Part 106, including the conduct of any investigation, hearing, or judicial proceeding arising thereunder. *34 C.F.R. 106.71(a)*

Note: This policy addresses discrimination, harassment, and retaliation against District students. For provisions regarding discrimination, harassment, and retaliation against District employees, see DIA. For reporting requirements related to child abuse and neglect, see FFG. Note that FFH shall be used in conjunction with FFI (bullying) for certain prohibited conduct.

Statement of Nondiscrimination

The District prohibits discrimination, including harassment, against any student on the basis of race, color, religion, sex, gender, national origin, age, disability, or any other basis prohibited by law. The District prohibits dating violence, as defined by this policy. Retaliation against anyone involved in the complaint process is a violation of District policy and is prohibited.

Discrimination

Discrimination against a student is defined as conduct directed at a student on the basis of race, color, religion, sex, gender, national origin, age, disability, or any other basis prohibited by law, that adversely affects the student.

Prohibited Conduct

In this policy, the term “prohibited conduct” includes discrimination, harassment, dating violence, and retaliation as defined by this policy, even if the behavior does not rise to the level of unlawful conduct.

Prohibited conduct also includes sexual harassment as defined by Title IX. [See FFH(LEGAL)]

Prohibited Harassment

Prohibited harassment of a student is defined as physical, verbal, or nonverbal conduct based on the student’s race, color, religion, sex, gender, national origin, age, disability, or any other basis prohibited by law, when the conduct is so severe, persistent, or pervasive that the conduct:

1. Affects a student’s ability to participate in or benefit from an educational program or activity, or creates an intimidating, threatening, hostile, or offensive educational environment;
2. Has the purpose or effect of substantially or unreasonably interfering with the student’s academic performance; or
3. Otherwise adversely affects the student’s educational opportunities.

Prohibited harassment includes dating violence as defined by law and this policy.

Examples

Examples of prohibited harassment may include offensive or derogatory language directed at another person’s religious beliefs or

practices, accent, skin color, or need for accommodation; threatening, intimidating, or humiliating conduct; offensive jokes, name calling, slurs, or rumors; cyberharassment; physical aggression or assault; display of graffiti or printed material promoting racial, ethnic, or other negative stereotypes; or other kinds of aggressive conduct such as theft or damage to property.

**Sex-Based
Harassment**

As required by law, the District shall follow the procedures below at Response to Sexual Harassment—Title IX upon a report of sex-based harassment, including sexual harassment, gender-based harassment, and dating violence, when such allegations, if proved, would meet the definition of sexual harassment under Title IX. [See FFH(LEGAL)]

**Sexual Harassment
By an Employee**

Sexual harassment of a student by a District employee includes both welcome and unwelcome sexual advances; requests for sexual favors; sexually motivated physical, verbal, or nonverbal conduct; or other conduct or communication of a sexual nature when:

1. A District employee causes the student to believe that the student must submit to the conduct in order to participate in a school program or activity, or that the employee will make an educational decision based on whether or not the student submits to the conduct; or
2. The conduct is so severe, persistent, or pervasive that it:
 - a. Affects the student's ability to participate in or benefit from an educational program or activity, or otherwise adversely affects the student's educational opportunities; or
 - b. Creates an intimidating, threatening, hostile, or abusive educational environment.

Romantic or other inappropriate social relationships between students and District employees are prohibited. Any sexual relationship between a student and a District employee is always prohibited, even if consensual. [See DH]

By Others

Sexual harassment of a student, including harassment committed by another student, includes unwelcome sexual advances; requests for sexual favors; or sexually motivated physical, verbal, or nonverbal conduct when the conduct is so severe, persistent, or pervasive that it:

1. Affects a student's ability to participate in or benefit from an educational program or activity, or creates an intimidating, threatening, hostile, or offensive educational environment;

2. Has the purpose or effect of substantially or unreasonably interfering with the student's academic performance; or
3. Otherwise adversely affects the student's educational opportunities.

Examples

Examples of sexual harassment of a student may include sexual advances; touching intimate body parts or coercing physical contact that is sexual in nature; jokes or conversations of a sexual nature; and other sexually motivated conduct, contact, or communications, including electronic communication.

Necessary or permissible physical contact such as assisting a child by taking the child's hand, comforting a child with a hug, or other physical contact not reasonably construed as sexual in nature is not sexual harassment.

Gender-Based Harassment

Gender-based harassment includes physical, verbal, or nonverbal conduct based on the student's gender, the student's expression of characteristics perceived as stereotypical for the student's gender, or the student's failure to conform to stereotypical notions of masculinity or femininity. For purposes of this policy, gender-based harassment is considered prohibited harassment if the conduct is so severe, persistent, or pervasive that the conduct:

1. Affects a student's ability to participate in or benefit from an educational program or activity, or creates an intimidating, threatening, hostile, or offensive educational environment;
2. Has the purpose or effect of substantially or unreasonably interfering with the student's academic performance; or
3. Otherwise adversely affects the student's educational opportunities.

Examples

Examples of gender-based harassment directed against a student, regardless of the student's or the harasser's actual or perceived sexual orientation or gender identity, may include offensive jokes, name-calling, slurs, or rumors; cyberharassment; physical aggression or assault; threatening or intimidating conduct; or other kinds of aggressive conduct such as theft or damage to property.

Dating Violence

Dating violence occurs when a person in a current or past dating relationship uses physical, sexual, verbal, or emotional abuse to harm, threaten, intimidate, or control the other person in the relationship. Dating violence also occurs when a person commits these acts against a person in a marriage or dating relationship with the individual who is or was once in a marriage or dating relationship with the person committing the offense.

For purposes of this policy, dating violence is considered prohibited harassment if the conduct is so severe, persistent, or pervasive that the conduct:

1. Affects a student's ability to participate in or benefit from an educational program or activity, or creates an intimidating, threatening, hostile, or offensive educational environment;
2. Has the purpose or effect of substantially or unreasonably interfering with the student's academic performance; or
3. Otherwise adversely affects the student's educational opportunities.

Examples

Examples of dating violence against a student may include physical or sexual assaults; name-calling; put-downs; or threats directed at the student, the student's family members, or members of the student's household. Additional examples may include destroying property belonging to the student, threatening to commit suicide or homicide if the student ends the relationship, attempting to isolate the student from friends and family, stalking, threatening a student's spouse or current dating partner, or encouraging others to engage in these behaviors.

Reporting Procedures

Student Report

Any student who believes that he or she has experienced prohibited conduct or believes that another student has experienced prohibited conduct should immediately report the alleged acts to a teacher, school counselor, principal, other District employee, or the appropriate District official listed in this policy.

Employee Report

Any District employee who suspects or receives direct or indirect notice that a student or group of students has or may have experienced prohibited conduct shall immediately notify the appropriate District official listed in this policy and take any other steps required by this policy.

Definition of District Officials

For the purposes of this policy, District officials are the Title IX coordinator, the ADA/Section 504 coordinator, and the Superintendent.

*Title IX
Coordinator*

Reports of discrimination based on sex, including sexual harassment, gender-based harassment, or dating violence, may be directed to the designated Title IX coordinator for students. [See FFH(EXHIBIT)]

*ADA /
Section 504
Coordinator*

Reports of discrimination based on disability may be directed to the designated ADA/Section 504 coordinator for students. [See FFH(EXHIBIT)]

Superintendent

The Superintendent shall serve as coordinator for purposes of District compliance with all other nondiscrimination laws.

Alternative Reporting Procedures

An individual shall not be required to report prohibited conduct to the person alleged to have committed the conduct. Reports concerning prohibited conduct, including reports against the Title IX coordinator or ADA/Section 504 coordinator, may be directed to the Superintendent.

A report against the Superintendent may be made directly to the Board. If a report is made directly to the Board, the Board shall appoint an appropriate person to conduct an investigation.

Timely Reporting

To ensure the District's prompt investigation, reports of prohibited conduct shall be made as soon as possible after the alleged act or knowledge of the alleged act.

Notice to Parents

The District official or designee shall promptly notify the parents of any student alleged to have experienced prohibited conduct by a District employee or another adult.

[For parental notification requirements regarding an allegation of educator misconduct with a student, see FFF.]

Investigation of Reports Other Than Title IX

The following procedures apply to all allegations of prohibited conduct other than allegations of harassment prohibited by Title IX. [See FFH(LEGAL)] For allegations of sex-based harassment that, if proved, would meet the definition of sexual harassment under Title IX, including sexual harassment, gender-based harassment, and dating violence, see the procedures below at Response to Sexual Harassment—Title IX.

The District may request, but shall not require, a written report. If a report is made orally, the District official shall reduce the report to written form.

Initial Assessment

Upon receipt or notice of a report, the District official shall determine whether the allegations, if proved, would constitute prohibited conduct as defined by this policy. If so, the District shall immediately undertake an investigation, except as provided below at Criminal Investigation.

If the District official determines that the allegations, if proved, would not constitute prohibited conduct as defined by this policy, the District official shall refer the complaint for consideration under FFI.

Interim Action

If appropriate and regardless of whether a criminal or regulatory investigation regarding the alleged conduct is pending, the District shall promptly take interim action calculated to address prohibited conduct or bullying prior to the completion of the District's investigation.

When appropriate, the principal shall be involved in or informed of the investigation.</p> <p>The investigation may consist of personal interviews with the person making the report, the person against whom the report is filed, and others with knowledge of the circumstances surrounding the allegations. The investigation may also include analysis of other information or documents related to the allegations.</p>
Criminal Investigation	<p>If a law enforcement or regulatory agency notifies the District that a criminal or regulatory investigation has been initiated, the District shall confer with the agency to determine if the District investigation would impede the criminal or regulatory investigation. The District shall proceed with its investigation only to the extent that it does not impede the ongoing criminal or regulatory investigation. After the law enforcement or regulatory agency has finished gathering its evidence, the District shall promptly resume its investigation.</p>
Concluding the Investigation	<p>Absent extenuating circumstances, such as a request by a law enforcement or regulatory agency for the District to delay its investigation, the investigation should be completed within ten District business days from the date of the report; however, the investigator shall take additional time if necessary to complete a thorough investigation.</p> <p>The investigator shall prepare a written report of the investigation. areas where prohibited conduct has occurred, and reaffirming the District's policy against discrimination and harassment.

Bullying

If the results of an investigation indicate that bullying occurred, as defined by FFI, the District official shall refer to FFI for appropriate notice to parents and District action. The District official shall refer to FDB for transfer provisions.

Improper Conduct

If the investigation reveals improper conduct that did not rise to the level of prohibited conduct or bullying, the District may take disciplinary action in accordance with the Student Code of Conduct or other corrective action reasonably calculated to address the conduct.

Confidentiality

To the greatest extent possible, the District shall respect the privacy of the complainant, persons against whom a report is filed, and witnesses. Limited disclosures may be necessary in order to conduct a thorough investigation and comply with applicable law.

Appeal

A student or parent who is dissatisfied with the outcome of the investigation may appeal through FNG(LOCAL), beginning at the appropriate level. A student or parent shall be informed of his or her right to file a complaint with the United States Department of Education Office for Civil Rights.

Response to Sexual Harassment—Title IX

For purposes of the District's response to reports of harassment prohibited by Title IX, definitions can be found in FFH(LEGAL).

General Response

When the District receives notice or an allegation of conduct that, if proved, would meet the definition of sexual harassment under Title IX, the Title IX coordinator shall promptly contact the complainant to:

- Discuss the availability of supportive measures and inform the complainant that they are available, with or without the filing of a formal complaint;
- Consider the complainant's wishes with respect to supportive measures; and
- Explain to the complainant the option and process for filing a formal complaint.

The District's response to sexual harassment shall treat complainants and respondents equitably by offering supportive measures to both parties, as appropriate, and by following the Title IX formal complaint process before imposing disciplinary sanctions or other actions that are not supportive measures against a respondent.

If a formal complaint is not filed, the District reserves the right to investigate and respond to prohibited conduct in accordance with Board policies and the Student Code of Conduct.

Title IX Formal
Complaint Process

To distinguish the process described below from the District's general grievance policies [see DGBA, FNG, and GF], this policy refers to the grievance process required by Title IX regulations for responding to formal complaints of sexual harassment as the District's "Title IX formal complaint process."

The Superintendent shall ensure the development of a Title IX formal complaint process that complies with legal requirements. [See FFH(LEGAL)] The formal complaint process shall be posted on the District's website. In compliance with Title IX regulations, the District's Title IX formal complaint process shall address the following basic requirements:

1. Equitable treatment of complainants and respondents;
2. An objective evaluation of all relevant evidence;
3. A requirement that the Title IX coordinator, investigator, decision-maker, or any person designated to facilitate an informal resolution process not have a conflict of interest or bias;
4. A presumption that the respondent is not responsible for the alleged sexual harassment until a determination is made at the conclusion of the Title IX formal complaint process;
5. Time frames that provide for a reasonably prompt conclusion of the Title IX formal complaint process, including time frames for appeals and any informal resolution process, and that allow for temporary delays or the limited extension of time frames with good cause and written notice as required by law;
6. A description of the possible disciplinary sanctions and remedies that may be implemented following a determination of responsibility for the alleged sexual harassment;
7. A statement of the standard of evidence to be used to determine responsibility for all Title IX formal complaints of sexual harassment;
8. Procedures and permissible bases for the complainant and respondent to appeal a determination of responsibility or a dismissal of a Title IX formal complaint or any allegations therein;
9. A description of the supportive measures available to the complainant and respondent;

10. A prohibition on using or seeking information protected under a legally recognized privilege unless the individual holding the privilege has waived the privilege;
11. Additional formal complaint procedures in 34 C.F.R. 106.45(b), including written notice of a formal complaint, consolidation of formal complaints, recordkeeping, and investigation procedures; and
12. Other local procedures as determined by the Superintendent.

Standard of Evidence

The standard of evidence used to determine responsibility in a Title IX formal complaint of sexual harassment shall be the preponderance of the evidence.

Retaliation

The District prohibits retaliation by a student or District employee against a student alleged to have experienced discrimination or harassment, including dating violence, or another student who, in good faith, makes a report of harassment or discrimination, files a complaint of harassment or discrimination, serves as a witness, or participates in an investigation. The definition of prohibited retaliation under this policy also includes retaliation against a student who refuses to participate in any manner in an investigation under Title IX.

Examples

Examples of retaliation may include threats, intimidation, coercion, rumor spreading, ostracism, assault, destruction of property, unjustified punishments, or unwarranted grade reductions. Unlawful retaliation does not include petty slights or annoyances.

False Claim

A student who intentionally makes a false claim or offers false statements in a District investigation regarding discrimination or harassment, including dating violence, shall be subject to appropriate disciplinary action in accordance with law.

Records Retention

The District shall retain copies of allegations, investigation reports, and related records regarding any prohibited conduct in accordance with the District's records control schedules, but for no less than the minimum amount of time required by law. [See CPC]

[For Title IX recordkeeping and retention provisions, see FFH(LEGAL) and the District's Title IX formal complaint process.]

Access to Policy and Procedures

Information regarding this policy and any accompanying procedures shall be distributed annually in the employee and student handbooks. Copies of the policy and procedures shall be posted on the District's website, to the extent practicable, and readily available at each campus and the District's administrative offices.

Notice to Students and Parents

The District shall inform students and parents of this policy through appropriate District publications.

Guiding Principles

Informal Process

The Board encourages students and parents to discuss their concerns with the appropriate teacher, principal, or other campus administrator who has the authority to address the concerns. Concerns should be expressed as soon as possible to allow early resolution at the lowest possible administrative level.

Informal resolution shall be encouraged but shall not extend any deadlines in this policy, except by mutual written consent.

Formal Process

A student or parent may initiate the formal process described below by timely filing a written complaint form.

Even after initiating the formal complaint process, students and parents are encouraged to seek informal resolution of their concerns. A student or parent whose concerns are resolved may withdraw a formal complaint at any time.

The process described in this policy shall not be construed to create new or additional rights beyond those granted by law or Board policy, nor to require a full evidentiary hearing or "mini-trial" at any level.

Freedom from Retaliation

Neither the Board nor any District employee shall unlawfully retaliate against any student or parent for bringing a concern or complaint.

General Provisions

Filing

Complaint forms and appeal notices may be filed by hand-delivery, by electronic communication, including email and fax, or by U.S. Mail. Response	<p>At Levels One and Two, "response" shall mean a written communication to the student or parent from the appropriate administrator. Responses may be hand-delivered, sent by electronic communication to the student's or parent's email address of record, or sent by U.S. Mail to the student's or parent's mailing address of record. Mailed responses shall be timely if they are postmarked by U.S. Mail on or before the deadline.</p>
Days	<p>"Days" shall mean District business days, unless otherwise noted. In calculating timelines under this policy, the day a document is filed is "day zero." The following business day is "day one."</p>

A student may be represented by an adult at any level of the complaint.</p> <p>The student or parent may designate a representative through written notice to the District at any level of this process. If the student or parent designates a representative with fewer than three days' notice to the District before a scheduled conference or hearing, the District may reschedule the conference or hearing to a later date, if desired, in order to include the District's counsel. The District may be represented by counsel at any level of the process.</p>
Consolidating Complaints	<p>Complaints arising out of an event or a series of related events shall be addressed in one complaint. A student or parent shall not file separate or serial complaints arising from any event or series of events that have been or could have been addressed in a previous complaint.</p>
Untimely Filings	<p>All time limits shall be strictly followed unless modified by mutual written consent.</p> <p>If a complaint form or appeal notice is not timely filed, the complaint may be dismissed, on written notice to the student or parent, at any point during the complaint process. Costs Incurred

Each party shall pay its own costs incurred in the course of the complaint.

Complaint and
Appeal Forms

Complaints and appeals under this policy shall be submitted in writing on a form provided by the District.

Copies of any documents that support the complaint should be attached to the complaint form. If the student or parent does not have copies of these documents, copies may be presented at the Level One conference. After the Level One conference, no new documents may be submitted by the student or parent unless the student or parent did not know the documents existed before the Level One conference.

A complaint or appeal form that is incomplete in any material aspect may be dismissed but may be refiled with all the required information if the refiling is within the designated time for filing.

Level One

Complaint forms must be filed:

1. Within 15 days of the date the student or parent first knew, or with reasonable diligence should have known, of the decision or action giving rise to the complaint or grievance; and
2. With the lowest level administrator who has the authority to remedy the alleged problem.

In most circumstances, students and parents shall file Level One complaints with the campus principal.

If the only administrator who has authority to remedy the alleged problem is the Superintendent or designee, the complaint may begin at Level Two following the procedure, including deadlines, for filing the complaint form at Level One.

If the complaint is not filed with the appropriate administrator, the receiving administrator must note the date and time the complaint form was received and immediately forward the complaint form to the appropriate administrator.

The appropriate administrator shall investigate as necessary and schedule a conference with the student or parent within ten days after receipt of the written complaint. The administrator may set reasonable time limits for the conference.

Absent extenuating circumstances, the administrator shall provide the student or parent a written response within ten days following the conference. The written response shall set forth the basis of the

decision. In reaching a decision, the administrator may consider information provided at the Level One conference and any other relevant documents or information the administrator believes will help resolve the complaint.

Level Two

If the student or parent did not receive the relief requested at Level One or if the time for a response has expired, the student or parent may request a conference with the Superintendent or designee to appeal the Level One decision.

The appeal notice must be filed in writing, on a form provided by the District, within ten days of the date of the written Level One response or, if no response was received, within ten days of the Level One response deadline.

After receiving notice of the appeal, the Level One administrator shall prepare and forward a record of the Level One complaint to the Level Two administrator. The student or parent may request a copy of the Level One record.

The Level One record shall include:

1. The original complaint form and any attachments.
2. All other documents submitted by the student or parent at Level One.
3. The written response issued at Level One and any attachments.
4. All other documents relied upon by the Level One administrator in reaching the Level One decision.

The Superintendent or designee shall schedule a conference within ten days after the appeal notice is filed. The conference shall be limited to the issues and documents considered at Level One. At the conference, the student or parent may provide information concerning any documents or information relied upon by the administration for the Level One decision. The Superintendent or designee may set reasonable time limits for the conference.

The Superintendent or designee shall provide the student or parent a written response within ten days following the conference. The written response shall set forth the basis of the decision. In reaching a decision, the Superintendent or designee may consider the Level One record, information provided at the Level Two conference, and any other relevant documents or information the Superintendent or designee believes will help resolve the complaint.

Recordings of the Level One and Level Two conferences, if any, shall be maintained with the Level One and Level Two records.

Level Three

If the student or parent did not receive the relief requested at Level Two or if the time for a response has expired, the student or parent may appeal the decision to the Board.

The appeal notice must be filed in writing, on a form provided by the District, within ten days of the date of the written Level Two response or, if no response was received, within ten days of the Level Two response deadline.

The Superintendent or designee shall inform the student or parent of the date, time, and place of the Board meeting at which the complaint will be on the agenda for presentation to the Board.

The Superintendent or designee shall provide the Board the record of the Level Two appeal. The student or parent may request a copy of the Level Two record.

The Level Two record shall include:

1. The Level One record.
2. The notice of appeal from Level One to Level Two.
3. The written response issued at Level Two and any attachments.
4. All other documents relied upon by the administration in reaching the Level Two decision.

The appeal shall be limited to the issues and documents considered at Level Two, except that if at the Level Three hearing the administration intends to rely on evidence not included in the Level Two record, the administration shall provide the student or parent notice of the nature of the evidence at least three days before the hearing.

The District shall determine whether the complaint will be presented in open or closed meeting in accordance with the Texas Open Meetings Act and other applicable law. [See BE]

The presiding officer may set reasonable time limits and guidelines for the presentation, including an opportunity for the student or parent and administration to each make a presentation and provide rebuttal and an opportunity for questioning by the Board. The Board shall hear the complaint and may request that the administration provide an explanation for the decisions at the preceding levels.

In addition to any other record of the Board meeting required by law, the Board shall prepare a separate record of the Level Three presentation. The Level Three presentation, including the presentation by the student or parent or the student's representative, any

presentation from the administration, and questions from the Board with responses, shall be recorded by audio recording, video/audio recording, or court reporter.

The Board shall then consider the complaint. It may give notice of its decision orally or in writing at any time up to and including the next regularly scheduled Board meeting. If the Board does not make a decision regarding the complaint by the end of the next regularly scheduled meeting, the lack of a response by the Board upholds the administrative decision at Level Two.

**Discipline
Management
Program**

Each school district shall adopt and implement a discipline management program to be included in the district improvement plan under Education Code 11.252. [See BQ] The program must provide for prevention of and education concerning unwanted physical or verbal aggression and sexual harassment in school, on school grounds, and in school vehicles. *Education Code 37.083(a)*

Note: The following legal provisions address the notification requirements and right of access to students when DFPS investigates reports of abuse and neglect at school. For additional legal provisions addressing reporting child abuse and neglect and investigations generally, see FFG.

Child Protective Investigations

A Texas Department of Family and Protective Services (DFPS) investigation of a report of child abuse or neglect under Family Code Chapter 261 may include an interview and examination of the subject child, which may be conducted at any reasonable time and place, including the child's school. A school official may not deny the request of an investigator, investigating a report of suspected child abuse or neglect, to interview, at school, a student who is an alleged victim. A school official may not condition granting the request on a requirement that school personnel, such as a counselor, attend the interview. *Family Code 261.302(a), (b); Atty. Gen. Op. DM-476 (1998)*

A person that has confidential locating or identifying information regarding a family that is the subject of an investigation under Family Code Chapter 261 shall release that information to DFPS on request. The release of information to DFPS by a person is not subject to Government Code 552.352 or any other law providing liability for the release of confidential information. *Family Code 261.303(e)*

Special Investigations

On receipt of a report of alleged or suspected child abuse or neglect in a public school, DFPS shall perform an investigation as provided by Family Code Chapter 261 and the rules adopted thereunder.

The Special Investigations program (SI) of the Child Protective Investigations division (CPI) of DFPS investigates allegations of abuse or neglect of a child by school personnel or volunteers in a school setting.

Family Code 261.406(a); 40 TAC 707.597-.625

Definitions

"School personnel and volunteers" means persons who have access to children in a school setting and are providing services to or caring for the children. School personnel include but are not limited to school employees, contractors, school volunteers, school bus drivers, school cafeteria staff, and school custodians.

"School setting" means the physical location of a child's school or of an event sponsored or approved by the child's school, or any other location where the child is in the care, custody, or control of

school personnel in their official capacity, including transportation services. This does not include:

1. School settings involving only children in facilities regulated by the Texas Health and Human Services Commission (HHSC) when HHSC contracts with the local school district to provide education services; or
2. School settings that are a part of child care operations regulated by the Child Care Licensing division of HHSC.

40 TAC 707.605(6)–(7)

Notice to School
Personnel

Prior to conducting an investigation of school personnel or volunteers, SI shall notify the school principal (or the principal's supervisor if the school principal is an alleged perpetrator) of the fact that a report has been assigned for investigation, the nature of the allegations contained in the report, and the date and time SI plans to visit the school campus to begin the investigation.

SI must also orally notify the superintendent about the investigation.

SI must request that the school personnel notified of the investigation not alert the alleged perpetrator or others regarding the report until SI has had an opportunity to interview the alleged perpetrator.

Family Code 261.105(d); 40 TAC 707.615

No Interference with
Investigation

School officials or other persons related to the school setting may not interfere with an investigation of a report of child abuse or neglect conducted by DFPS.

Interviews on
School Premises

Interviews and examinations in a school investigation may take place on or off the school premises, as deemed appropriate by SI, pursuant to all applicable standards. SI will notify appropriate school personnel prior to conducting an interview or visual inspection on school premises.

Presence of School
Personnel

SI may request that school personnel or volunteers not be present during the interview or visual inspection of an alleged victim, an alleged perpetrator, an adult or child witness, or any other person who may have information relevant to the investigation if the investigator determines that:

1. The presence of school personnel or volunteers would compromise the integrity of the investigation; or
2. A better interview or examination of the child would result without school personnel or volunteers being present.

Family Code 261.303(a); 40 TAC 707.619(a)

Report of Findings After the completion of an investigation, SI must provide a report of the investigation, redacted to remove the identity of the reporter, to the Texas Education Agency (Director of Education Investigations) for an investigation concerning an employee of the district. On request, SI shall provide a redacted copy of the report to the following:

1. State Board for Educator Certification;
2. The president of the school board;
3. The superintendent; and
4. The school principal, unless the principal is the alleged perpetrator.

SI is not required to provide notice to a school official if it administratively closes a report of abuse or neglect prior to notifying school officials that DFPS received a report of abuse or neglect in the school setting.

Family Code 261.406(b); 40 TAC 707.623

Students Taken into Custody

A child may be taken into custody under Family Code Title 3 (Juvenile Justice Code):

1. Pursuant to an order of the juvenile court.
2. Pursuant to the laws of arrest.
3. By a law enforcement officer, including a school district peace officer, if there is probable cause to believe the student has engaged in a criminal violation, delinquent conduct, conduct indicating a need for supervision, or conduct that violates a condition of probation.
4. By a probation officer, if there is probable cause to believe the student has violated a condition of probation or a condition of release.
5. Pursuant to a directive to apprehend issued by a juvenile court.
6. By a law enforcement officer, to take the child's fingerprints or photograph, as set forth at Family Code 58.0021.

Family Code Ch. 262

Students in Custody

A person taking a child into custody may, if school is in session and the child is a student, bring the child to the campus to which the child is assigned if the principal, the principal's designee, or a peace officer assigned to the campus agrees to assume responsibility for the child for the remainder of the school day. *Family Code 52.02(a)(7)*

**Child Abuse
Investigation**

When a representative of the Department of Family and Protective Services or another lawful authority requests to question or interview a student at school as part of a child abuse investigation, the principal shall cooperate fully with the official's requests regarding the conditions of the interview or questioning.

**Other Questioning of
Students**

When law enforcement officers or other lawful authorities request to question or interview a student at school for any purpose other than a child abuse investigation, the following guidelines shall apply:

1. The principal shall verify and record the identity of the officer or other authority and request an explanation of the need to question or interview the student at school.
2. The principal ordinarily shall make reasonable efforts to notify the student's parent or other person having lawful control of the student. If the interviewer raises what the principal considers to be a valid objection to the notification, the parent shall not be notified.
3. The principal or a designee ordinarily shall be present during the questioning or interview. If the interviewer raises what the principal considers to be a valid objection to a third party's presence, the interview shall be conducted without that person's presence.

**Students Taken into
Custody**

Before a student at school is arrested or taken into custody by a law enforcement officer or other legally authorized person, the principal shall verify the official's identity. To the best of his or her ability, the principal shall verify the official's authority to take custody of the student and then shall deliver over the student.

The principal shall immediately notify the Superintendent and ordinarily shall notify the parent or other person having lawful control of the student. If the officer or other authorized person raises what the principal considers to be a valid objection to notifying the parent at that time, the principal shall not notify the parent.
