

Dual Enrollment/College Course-Testing Requirements

Students, who request to participate in any of the dual enrollment college classes listed below, must meet one of the testing requirements indicated. See chart below for specific details.

EOC results will be verified by the counseling office once results are received, however, if students need to qualify through TSI, SAT or ACT, students will be responsible to bring results in to their designated counselor.

If students do not qualify through EOC or if other results are not received by the end of the year, the course(s) will be removed from the students' request. Adding a course back in to a student's request will be based on availability.

Grade level	High School Course Requested	College Course	Level 2 EOC	Alternate Testing Options		
				TSI	SAT	ACT
11 th and 12 th	Art Appreciation Fine Art Credit	Art 1301: Art Appreciation	2000 English II R+W	Reading 351	English 500 Math 500 Composite:1070	English 19 Math 19 Composite:23
