

Expectations of Physics I CP/ Pre-AP Students:

1. It is **EXPECTED** that you will strive to do your very best in all activities in this class.
2. It is **EXPECTED** that you complete all assignments and turn them in on time.
3. It is **EXPECTED** that you attend class regularly.
4. It is **EXPECTED** that you follow classroom rules as well as those established as school policy.
5. It is **EXPECTED** that all terms or vocabulary be understood by student. If you are not sure about a term, look it up in your book. If you still do not understand, ask the teacher to explain.
6. It is **EXPECTED** that when you miss class due to an “extra-curricular” activity that you turn in all assignments due **PRIOR** to that absence.
7. It is **EXPECTED** that extra time be spent on laboratory assignments that are not completed during class time. Ask teacher to set up a time to make up lab assignments.

Your three weeks grade will be a reflection of your total performance in the classroom during the grading period.

Please ask Questions! However, it would be appreciated if you do **NOT** ask the following:

1. Did I miss anything important while I was gone?
2. If I turn this in, will it raise my grade?
3. Is there anything I can do for extra credit?
4. Do I need to know this for the test?
