Once there click on [Software](#) to your left.

The image shows a screenshot of the Office 365 settings page. At the top, there is a blue header with the Office 365 logo and the text "Office 365". Below the header, the page title "Office 365 settings" is displayed. A grey banner contains the user's name "Me" and the email address "MC045455@students.sharylandisd.org". A red arrow points from the right side of the banner to the "Software" option. The "Software" option is followed by the text "Install and manage software." Below it are other settings options: "Theme" (Choose your own theme.), "Start page" (Change where you land when you sign in to Office 365.), "Notifications" (Decide which notifications you see. Your changes will take effect next time you sign in.), and "Password".
